III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

Please refer to tender documents.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

Please refer to tender documents.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

The organisation of joint offers or offers from groupings is at the discretion of the tenderers. Such offers will be treated no differently than any other type of offer. Tenders can be submitted by consortia of 2 or more economic operators ('joint tender'). Each legal entity will be required to sign the contract in case of award, and shall assume joint and several liability towards the contracting authority for the fulfilment of the terms and conditions of the contract.

The consortium shall nominate 1 legal entity ('the leader') who will have full authority to bind the consortium and each of its members, and will be responsible for the administrative management of the contract (invoicing, receiving payments, etc.) on behalf of all other entities. Subcontracting is allowed but the contractor shall retain full liability towards the contracting authority for implementation of the contract.

An economic operator may, where appropriate and for a particular contract, rely on the capacities of other entities, regardless of the legal nature of the links which it has with them. It must in that case prove to the contracting authority that it will have at its disposal the resources necessary for performance of the contract, for example by producing an undertaking on the part of those entities to place those resources at its disposal.

III.1.4. Contract performance conditions

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Tenderers will not be eligible to take part in this contract award procedure if they are in any of the exclusion situations listed in Articles 106 and 107 of Regulation (EU, Euratom) No 966/2012 of the European Parliament and of the Council of 25.10.2012 (OJ L 298 of 26.10.2012).

Should a contract be awarded, the contractor may be required to produce the supporting documents required in Article 145(2) in conjunction with Article 143(3) of the rules of application (Commission Delegated Regulation (EU) No 1268/2012). In the case of groupings of contractors, the information required must be supplied by all members of the grouping. The same information will have to be provided by subcontractors with an estimated budget share of more than 20 %.

III.2.2. Economic and financial ability

List and brief description of conditions: Statement of overall turnover, profits and losses and a balance sheet (or copy of budget in case of non-profit organisations), for the previous 3 financial years.
