Register for questions and answers:

If service providers wants to receive answers on questions, they must register their interest by 1.2.2018 via email to the contact person for HAF. The contact person will create a list of those who wish to receive answers to any questions pertaining to the tender documentation and suggestions for the contract.

Those who do not register questions and answers within the deadline will not receive answers after the deadline expires. The reason for this is that more people downloaded the tender documents via a third party, and in this way did not provide their contact information to HAF. If HAF shall have the opportunity to answer questions from all participants in the competition, it is necessary to have a list with contact information so that all who wish to participate in the competition have access to questions and answers.
