

Ireland-Dublin: Steam-generating boilers
OJ S 78/2016 21/04/2016
Contract notice – utilities
Services

Directive 2004/17/EC

Section I: Contracting entity

I.1. Name and addresses

Official name: ESB

Postal address: 27 Lower Fitzwilliam Street

Town: Dublin

Postal code: 2

Country: Ireland

Contact person: ESB Generation and Wholesale Markets

For the attention of: Martha Maher

E-mail: powergeneration.procurement@esb.ie

Telephone: +353 214656637

Fax: +353 16384603

Internet address(es):

General address of the contracting entity: www.esb.ie

Additional information can be obtained from:

the abovementioned address

Tenders or requests to participate must be submitted: the abovementioned address

I.2. Main activity

Electricity

I.3. Contract award on behalf of other contracting entities

The contracting entity is purchasing on behalf of other contracting entities: no

Section II: Object of the contract

II.1. Description

II.1.1. Title attributed to the contract by the contracting entity

GWM4576 Boiler Tube Replacement Money-point Framework.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 12: Architectural services; engineering services and integrated engineering services; urban planning and landscape engineering services; related scientific and technical consulting services; technical testing and analysis services

Main site or place of performance: Ireland.

NUTS code IE023 Mid-West

II.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

II.1.4. Information about framework agreement

Framework agreement with several operators

Maximum number Envisaged maximum number of participants to the framework agreement
: 3

Duration of the framework agreement

Duration in years: 5

II.1.5. Short description of the contract or purchase(s)

This Framework is for the design, manufacture, delivery and installation of Boiler components on the 3 305-MWe, Foster Wheeler natural circulation single furnace coal-fired boilers at Money-point Generating Station — works for each unit are likely to be tendered individually. This work will include boiler reheater pressure part replacement including tubing with all attachments and fittings. Refurbishment work on the 3 units will take place during outages in 2017, 2018 and 2019. Outage dates may change due to unforeseen circumstances. ESB Money-point Generating Station is located in the Shannon estuary in the south west of Ireland, near Kilrush in Co. Clare. The site is located on the north bank of the River Shannon, 5 km east of Kilrush. Access is available to the site by road or by sea. The port of Dublin is 265 km distant, the port of Cork is 210 km distant and the port of Limerick is 85 km distant.

II.1.6. CPV code(s)

42162000 Steam-generating boilers, 45351000 Mechanical engineering installation works

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

II.1.8. Information about lots

This contract is divided into lots: no

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

The scope of works will include boiler re-heater pressure part replacement including tubing with all attachments and fittings using high creep strength materials and medium chromium steels including X20CrMoV121 or equivalent. All works shall be in compliance with applicable boiler codes and statutory requirements of the jurisdiction. All support service works such as scaffolding, insulation works, NDT, etc. will be included in the scope.

From this pre-qualifying process, ESB GWM will select a panel of suppliers and the scope of work for each of the units below will be tendered as required among this panel of qualified suppliers.

1 — Supply and Installation of Boiler Tubes in Unit 3 Money-point Quarter 3, 2017;

2 — Supply and Installation of Boiler Tubes in Unit 1 Money-point 2018;

3 — Supply and Installation of Boiler Tubes in Unit 2 Money-point 2019.

II.2.2. Information about options

Options: no

II.2.3. Information about renewals

This contract is subject to renewal: no

II.3. Duration of the contract or time limit for completion

Duration in months: 60 (from the award of the contract)

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

Will be specified within the enquiry documents.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

Will be specified within the enquiry documents.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

If the Tender is submitted by a group of suppliers, then those suppliers, if awarded the contract, shall assume such legal form by corporation, partnership or otherwise as will enable them to contract as a single entity, and assume joint and several responsibility for the contract.

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

III.2.2. Economic and financial ability

List and brief description of conditions: Set out in Pre-Qualification Questionnaire.

III.2.3. Technical and professional ability

List and brief description of conditions: Set out in Pre-Qualification Questionnaire.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Negotiated

Some candidates have already been selected (if appropriate under certain types of negotiated procedures): no

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of the criteria stated in the specifications or in the invitation to tender or to negotiate

IV.2.2. Information about electronic auction

An electronic auction will be used: no

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting entity

GWM4576 Boiler Tube Replacement Moneypoint Framework

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents

(except for a DPS)

Time limit for receipt of requests for documents or for accessing documents: 29.4.2016 - 16:00

IV.3.4. Time limit for receipt of tenders or requests to participate

5.5.2016 - 17:00

IV.3.5. Languages in which tenders or requests to participate may be submitted

IV.3.6. Minimum time frame during which the tenderer must maintain the tender

IV.3.7. Conditions for opening of tenders

Persons authorised to be present at the opening of tenders: no
