Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: A tax certificate is required.
A VAT certificate is required.

III.2.2. Economic and financial ability

List and brief description of conditions: The Contracting Authority will assess the finances of the tenderer through the company and accounting information system Bisnode AS (www.soliditet.no/creditcontrol) with the service CreditPro.

The Contracting Authority will not accept credit ratings from other company and accounting information systems than Bisnode AS with the service CreditPro.

Tenderers can enclose other necessary information in the tender if a tenderer believes that Bisnode/CreditPro does not provide a correct picture of the financial situation.

Newly established companies: Newly established companies that have not built up the basis for a credit rating must enclose a declaration from a bank or similar financing institutions regarding the company's financial and economic position. This also applies to foreign tenderers.

Minimum level(s) of standards possibly required: The financial capacity to carry out the contract is required. The minimum requirement is that the tenderer is credit worthy, A in accordance with Bisnode AS with the service CreditPro or the financial capacity to fulfil the contract based on the contracting authority's judgement in relation to the attached documentation from the tenderer.

Newly established companies: Newly established companies must have the economic capacity to execute the agreement.

III.2.3. Technical and professional ability

List and brief description of conditions:

Experience:

A reference list shall be enclosed with the tender. The list shall contain a minimum of 1 reference that shows that the qualification requirement is met.

For each reference assignment, information must be given about the assignment's content, value, date, length, contracting authority and contact person at the contracting authority with email address and telephone number shall be provided.

Tenderers are asked to fill in and enclose the annex 'reference list'.

Environment:

Tenderers shall complete the self-declaration form regarding environmental management (annex 4). This is to substantiate that the requirement is met.

Social requirement:

The tenderer shall fill in and attach a Self-declaration form about Ethical and social requirements (Annex 3).

Minimum level(s) of standards possibly required:

Experience:

The tenderer, or employees at the tenderer are required to have experience from equivalent assignments. Equivalent assignments means emptying and treating sludge.

Environment:

To ensure compliance with the contract's environmentally relevant requirements, tenderers are required to have sufficient relevant environmental competence, management systems and routines for quality assurance for the services included in the contract.

Social requirement:

Suppliers are required to comply with own enterprises' ethical and social requirements in accordance with annex 3, and to work to ensure the compliance of the or those sub suppliers that are involved in the implementation of this contract.
