II.2. Description

II.2.3. Place of performance

NUTS code: UKI12 Inner London - East

Main site or place of performance: Inner London — East.

II.2.4. Description of the procurement

Ophthalmology is a speciality identified by the Department of Health (DH) as being suitable for the relocation of a large proportion of work from secondary to primary care under the 'Shifting Care Closer to Home' Policy.

The CCG currently commissions a community based Glaucoma service within its portfolio of planned care services. The CCG recognises the need to commission a Community Ophthalmology Service, in alignment with delivery of health services for the tri-closer to patients' homes and releasing capacity from secondary care, to focus on urgent and acute care.

The new community base ophthalmology clinical model will support the CCG to shift activity from an acute setting to the community.

The contract will be managed via a cost and volume payment mechanism. The envisaged contract term is for 3 years with a possibility of a 1 year extension.

Provider will be expected to offer the service in a minimum of 3 localities in the Borough of Waltham Forest, Leyton/Leytonstone, Walthamstow and Chingford.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents
