II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 5 000 000,00 EUR

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 72

This contract is subject to renewal: yes

Description of renewals:

The framework agreement can be prolonged by 2 x 12 months by written notification to supplier within 3 months prior to the termination of the agreement.

II.2.9. Information about the limits on the number of candidates to be invited

Maximum number: 3 Objective criteria for choosing the limited number of candidates:

If more than 3 applicants fulfill the minimum requirements, cf. section III, the contracting authority will prequalify the 3 applicants who are evaluated as most qualified for the specific tendered assignment. Only these applicants will be invited to submit a tender. The selection of the applicants will be based on the submitted references. That is to which extend the reference (s) are assessed to be similar to the tendered assignment, cf. section II.2.4, in terms of comparability and relevance. As a result the number of references will not be the determining factor alone, but more importantly to which degree the specific forwarded references are comparable and relevant to the tendered assignment regarding solution and scope, especially concerning:

- delivery of transmission management system to an entity similar to the Contracting authority in the European market.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

The framework agreement contains an option for extended 24/7 Hotline support (Appendix 2).

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Please note that this is a negotiated procedure. With the exception of mandatory parts, the Tender Documents may as a result undergo changes as part of the negotiation process.

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.2. Economic and financial standing

List and brief description of selection criteria:

The applicant must confirm the economic ability in the ESPD part IV.B: 'Economic and financial standing' with information from the latest annual report regarding the following economic indicators:

- 1) Equity (total equity incl. share capital, reserves, revaluation, retained earning; etc.)
- 2) Equity ratio (equity/total assets).

If the applicant is relying on the capacities of one or more other entities (e.g. a parent or sister company or a subcontractor) or the applicant is a group of economic operators (e.g. a consortium) the information for the ESPD part IV.B must also be given in a separate ESPD from each of these entities, cf. section VI.3 'Additional information'. It is the sole responsibility of the applicant to secure that the minimum level(s) of standards required are reached when the applicant is relying on the capacity of other entities or when the applicant is a group of economic operators (e.g. a consortium).

Minimum level(s) of standards possibly required:

Concerning 1: Equity from the latest annual report must be at least EUR 1 million.

Concerning 2: Equity ratio from the latest annual report must be at least 20 pct. If the equity ratio is between 15 pct. and 20 pct. the applicant can qualify, if equity exceeds the total expected value of the frame agreement.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

The applicant must include the up to five (5) most comparable and relevant references undertaken in the past three (3) years as part of the application. The references must be stated in the ESPD part IV.C: 'Technical and professional ability'. Undertaken in the past three (3) years implies that the reference must not have been completed prior to the date reached when counting 3 years backwards from the submission date for pre-qualification. References older than this will not be taken into consideration. References which have not yet been fully completed can be included as part of the application, but if this is the case, the applicant must describe the parts which have not yet been delivered, and this may affect the evaluation of the applicant, cf. section II.2.9).

The references should include:

- 1) A specific description of the work performed for each reference, including a description of the delivered solution's modules (i.e.
 - player registration,
 - point administration,
 - registry of relations,
 - contract management,
 - capacity management,
 - commercial balancing,
 - nomination and matching,
 - allocations,
 - upload of biomethane certificates,

- communication,
- invoicing,
- data management,
- customer web access.

2) Contract value (if possible);

3) Contact information for the entity in question (including contact person);

4) Date of initiation and final delivery (day, month, year).

Any ambiguities and/or incomprehensibilities concerning the above information may have a negative effect on the selection of candidates, cf. section II.2.9). Please note the 'description' box can contain more text than is visible. I.e. it is possible to copy paste text into the box.

If the applicant is relying on the references of one or more other entities (e.g. a parent or sister company or a subcontractor) or the applicant is a group of economic operators (e.g. a consortium) the information for the ESPD part IV.C must also be given in a separate ESPD from each of these entities.

The number of references should not surpass a maximum of the five (5) most comparable and relevant references. If the applicant is relying on the capacity of one or more other entities (e.g. a parent or sister company or a subcontractor) or the applicant is a group of economic operators (e.g. a consortium) the maximum number of references to be submitted must still be respected and cannot exceed five (5) when combined. If more than five (5) references are included, the Contracting Authority will only consider the five (5) most recent references determined by date of final delivery (in this case not yet finished references will not be included).

III.1.4. Objective rules and criteria for participation

List and brief description of rules and criteria:

The applicant must submit a completed version of the ESPD.

Applicants may not be subject to the mandatory grounds for exclusion, cf. the Danish Public Procurement Act (udbudsloven) Section 135 (1-3) and 136.

Please see section VI.3 'Additional information' for further information regarding the ESPD.

The application must be submitted through EU-Supply, cf. link in section I.1 in this TED announcement. Applications not submitted via EU-supply or received after the deadline will not be accepted.

The contracting authority reserves the right to request the applicant to supplement, specify or complete the information submitted.

III.1.7. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

The information is stated in the Tender Documents.

III.2. Conditions related to the contract

III.2.2. Contract performance conditions

The information is stated in the tender material.

VI.3. Additional information

The applicant must submit a completed ESPD to apply for prequalification for this tender procedure. The ESPD for this tender can be found via EU-supply. The ESPD must be completed in EU-Supply and submitted via 'My Response'.

Please note:

— an applicant participating on its own, but relying on the capacities of one or more other entities (e.g. a parent or sister company or a subcontractor), must ensure that the application includes the applicants own ESPD together with a separate ESPD from each of the entities it relies on with a completed part II: 'Information concerning the economic operator' and part III: 'Exclusion grounds' of the ESPD as well as the relevant information regarding part IV: 'Selection criteria' and part V: 'Reduction of the number of qualified candidates'. The ESPD from each of the entities should be duly filled and signed by the entities concerned.

Further where an applicant wants to rely on the capacities of other entities, it shall prove to the contracting authority that it will have at its disposal the resources necessary, for example, by producing a commitment by those entities to that effect, which must be submitted as part of the final documentation.

— where groups of economic operators, including temporary associations, participate together in the procurement procedure, a complete separate ESPD for each of the participating economic operators must be submitted.

Further the final documentation must include a signed declaration by all parties of the group of economic operators (joint venture, consortium or other) stating that all economic operators

assume joint and several liabilities towards the Contracting Authority for the performance of the contract as a whole.
