Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1.

Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register, or a trade register in the country where the tenderer is established.

- Norwegian tenderers: Company registration certificate
- Foreign companies: Confirmation that the company is registered in a company register, professional register or a trade register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to be able to fulfil the contract.

Credit worthy without a requirement for guarantees is sufficient to comply with the requirement.

Minimum level(s) of standards possibly required:

- A credit rating based on the most recent known fiscal figures. The rating must be carried out by a credit rating company licensed to operate such a business.
- If the tenderer has justifiable cause to not present the documentation required by the contracting authority, they can document their economic and financial capacity by presenting another document that the contracting authority deems suitable
- The contracting authority reserves the right to obtain a further credit rating or other economic information, including but not limited to, annual financial statements including notes, the board's annual reports and the auditor's report

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have good experience from comparable assignments

Competence that corresponds to central certification development class 2

Minimum level(s) of standards possibly required:

A description of the tenderer's up to 3 most relevant assignments in the last 3 years (as well as the type and complexity).

The description must include a statement of the contract's value, date and recipient (name, telephone number and e-mail address). It is the tenderer's responsibility to document relevance through

the description. Tenderers can document experience by referring to competence in the personnel they have at their disposal and for this assignment even if the experience is achieved while the personnel were working for another supplier. Documentation must be provided that can form the basis for local certification in development class 2: It will be a prerequisite to be certified.
