II.2.4. Description of the procurement

NHS Herts Valleys Clinical Commissioning Group (HVCCG) is seeking providers to deliver a non-scalpel vasectomy service for their population in Hertfordshire.

The service will provide high quality and safe 2 stage, no-scalpel vasectomy under local aesthetic in accordance with the Faculty of Sexual and Reproductive Healthcare of the Royal College of Obstetricians and Gynaecologist (RCOG) guidelines (2014) and will be accessible for all men registered with a GP in Herts Valleys.

It is intended the following outcomes will be achieved by commissioning a vasectomy service that:

- improves clinical outcomes for patients,
- improves patients' experience of vasectomy services via an integrated, standardized and clinically led pathway,
- improves patient choice via easier and quicker access to local community-based services with care closer to home,
- provides a local cost-effective service,
- waiting times will be managed within nationally set access targets, and
- services comply with accepted best practice in line with national and local guidance, relevant accreditations processes and relevant guidelines in clinical practice and governance arrangements.

HVCCG would expect the provider to offer the service in each locality, Watford and Three Rivers, Hertsmere, Dacorum and St Albans and Harpenden. Ideally, the service would be delivered in a primary care or community setting such as GP practices, this is in line with the CCGs strategy for Your Care, Your Future and a care closer to home.

The contract term will be for 3 years with a possible 2 years extension.
