Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tax and VAT certificate:

Norwegian tenderers: tenderers must give consent in their tender to TendSign obtaining and the contracting authority getting information on the above-mentioned via Tendsign. After tenderers have submitted their tender in TendSign, they will receive a request from Altinn for consent to share the tax information. The consent is valid on an organisation level and is valid for three (3) months. If a tenderer does not give consent, the tenderer must attach a tax and VAT certificate. The certificate must not be older than 6 (six) months from the tender deadline. Any arrears or other irregularities must be justified. (Tenderers can obtain the electronic tax and VAT certificate themselves and immediately receive it by email.)

Foreign tenderers: tenderers who are not established in Norway can present equivalent documentation issued by the authorities in the country where the tenderer is established. The certificate shall preferably be translated into Norwegian, but it will also be accepted in Swedish, Danish and English.

Credit rating: the contracting authority will carry out an assessment of the tenderer's finances, through the company and accounting information system Bisnode AS (www.soliditet.no/creditcontrol) with the service CreditPro. The contracting authority is not accepting credit ratings from other company and accounting information systems than Bisnode AS with the service CreditPro so that the tenderers can be assessed on equal terms. Tenderers can attach other necessary information with their tender if the tenderer is of the opinion that Bisnode /CreditPro will not provide an accurate picture of the financial situation.

Newly established companies: Newly established companies who have not worked up a basis for a credit assessment must enclose a declaration from a bank or similar financial institution on the company's financial and economic standing. This also applies to foreign tenderers.

Minimum level(s) of standards possibly required:

Tax and VAT certificate: tenderers must have their tax, payroll tax and VAT payments in order, in accordance with the legislation.

Credit rating: the adequate financial capacity to fulfil the contract is required. A minimum requirement is that the tenderer is credit-worthy with a score of A in accordance with Bisnode AS using the service CreditPro, or that the tenderer has the financial capacity to implement the agreement, based on the contracting authority's assessment in accordance with the attached documentation from tenderers. Newly established companies must have the financial capacity to implement the agreement.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Quality management system: a valid certificate in accordance with the requirements.

Experience: completed annex 'Tenderer's Experience', or equivalent documentation with the same information.

Minimum level(s) of standards possibly required:

Quality management system: a good and well-functioning quality management system is required for the services that will be provided. Tenderers must therefore be certified for quality management, in the form of third party certification such as ISO 9001 or equivalent.

Experience: the tenderer, or the tenderer's employees are required to have experience from at least 2 equivalent assignments in the last 3 years. Equivalent assignments means the delivery of waste containers to public or private customers. The assignments must have a total value of minimum NOK 1 000 000 excluding VAT per assignment.
