II.1.1. Title

Property Flood Resilience Training Programme

II.1.2. Main CPV code

80000000 Education and training services

II.1.3. Type of contract

Services

II.1.4. Short description

The Strategic Property Flood Resilience Team (PFR) within the Environment Agency (EA) and in partnership with the PFR Industry Roundtable have identified a need to deliver specific training related to the PFR sector from April 2021 onwards.

The aim of this training is primarily to develop PFR training in line with the new PFR Code of Practice (PFR CoPs) and British Standards 851188 as identified in a PFR Training Gap Analysis Report, (CIWEM, 2020). This training will improve understanding and application of the key industry standards and methodologies and will be focused on the three audiences identified in Part 7 section below. There will also be a need to have any developed training accredited via the Chartered Institution of Water and Environmental Management (CIWEM) or other professional body accreditation process.

The EA have identified a need for a number of training packages to be developed and delivered to 3 different audiences.

II.1.6. Information about lots

This contract is divided into lots: no

II.1.7. Total value of the procurement

Value excluding VAT: 138 576,00 EUR

II.2. Description
