Duration of the framework agreement

Duration in years: 4

Estimated total value of purchases for the entire duration of the framework agreement

Estimated value excluding VAT:

Range: between 100 000 and 2 000 000 GBP

II.1.5. Short description of the contract or purchase(s)

Decommissioning services. The services required will primarily involve elements of decommissioning, transportation and reinstallation of an unknown quantity of vehicle testing equipment at designated VOSA testing stations over a period of four years. The job scope will be broad and will cover a wide variety of vehicle testing equipment and their accessories, including roller brake testers, load simulators, speed rollers, and 4 post lifts, exhaust extraction units, emissions testers, cabin pressurisation units, head lamp aim checkers, wheel play detectors and similar equipment. For services involving reinstallation and re-commission, calibration to known technical requirements will be required.

II.1.6. CPV code(s)

98391000 Decommissioning services

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

II.1.8. Lots

II.1.9. Information about variants

II.2. Scope of the procurement

II.2.1. Total quantity or scope

This framework agreement will be for a period of four years. The estimated value for the four years is 2 000 000 GBP. This agreement is primarily for VOSA but it is also available for use by other Contracting Authorities which make up the Department for Transport and its associated bodies, which includes its executive agencies and other non-departmental Public Bodies it sponsors; and for use by other Government departments. Should other parties utilise this agreement it is not envisaged to exceed 5 000 000 GBP. At the time of placing this advertisement VOSA has not received notification of interest from any other Government quarter.

II.2.2. Information about options

II.2.3. Information about renewals

II.3. Duration of the contract or time limit for completion

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them
