VI.3. Procedures for review

VI.3.1. Review body

Official name: National Institute for Health and Clinical Excellence

Postal address: Mid City Place 71 High Holborn

Town: London

Postal code: WC1V 6NA

Country: United Kingdom

VI.3.2. Review procedure

Precise information on deadline(s) for review procedures: NICE will incorporate a minimum 10 calendar day standstill period at the point information on the award of the contract is communicated to tenders. This period allows unsuccessful tenderers to seek further debriefing from the contracting authority before the contract is entered into. Applicants have 2 working days from the notification of the award decision to request additional debriefing and that information has to be provided a minimum of 3 working days before the expiry of the standstill period. Such additional information should be requested from the contracting authority named in section I.1. If an appeal regarding the award of a contract has not been successfully resolved the Public Contracts Regulations 2006 (SI2006 No5.) provide for aggrieved parties who have been harmed or are at risk of harm by breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Any such action must be brought promptly (generally within three months). Where a contract has not been entered into, the Court may order the setting aside of the award decision or order the authority to amend any document and may award damages. If the contract has been entered into the Court may only award damages.

VI.3.3. Service from which information about the review procedure may be obtained
