The Contracting Authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement. The Authority reserves the right to amend any condition related to security of information to reflect any changes in national law or government policy. If any contract documents are accompanied by instructions on safeguarding classified information (e.g. a Security Aspects Letter), the Authority reserves the right to amend the terms of these instructions to reflect any changes in national law or government policy, whether in respect of the applicable protective marking scheme, specific protective markings given, the aspects to which any protective marking applies, or otherwise. The link below to the Gov.uk website provides information on the Government Security Classification.

Advertising Regime OJEU: this contract opportunity is published in the Official Journal of the European Union (OJEU), the MoD Defence Contracts Bulletin and www.contracts.mod.uk
In order to invoice electronically, the Authority must register the Winning Tenderer on the CP&F system. The winning tenderer will then have to arrange connectivity via EXOSTAR. Please note that depending on the quantity of click transactions you may be charged for this service after the first 9 months of usage. You should read the EXOSTAR Terms and Conditions carefully.

The cyber risk for this requirement was assessed as very low. The Cyber Risk Reference is RAR-P8R63FAC

You must complete the cyber supplier assurance questionnaire via the supplier cyber protection service (Octavian) to demonstrate your compliance with the required cyber risk level. You can find further information on this by searching for DCPD on the GOV.UK website. The cyber risk response must be completed before the tender return date.
