5) Additional information about lots

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Any supplier may be disqualified who:

- (a) is bankrupt or is being wound up, whose affairs are being administered by the court, who has entered into an arrangement with creditors or who is in any analogous situation arising from a similar procedure under national laws and regulations;
- (b) is the subject of proceeding for a declaration of bankruptcy, for an order of compulsory winding-up or administration by the court or for an arrangement with creditors or is the subject of any other similar proceedings under national laws or regulations;
- (c) has been convicted of an offence concerning his professional conduct by a judgement which as the force or res judicata;
- (d) has been guilty of grave professional misconduct proven by any means which the contracting authorities can justify;
- (e) has not fulfilled obligations relating to the payment of social security contributions in accordance with the legal provisions of the country in which he is established or those of the country of the contracting authority;
- (f) has not fulfilled obligations relating to the payment of taxes in accordance with the legal provisions of the country in which he is established or those of the country of the contracting authority;
- (g) is guilty of serious misrepresentations in supplying the information required under the provisions of the Directive on the criteria for qualitative selection.

III.2.2. Economic and financial ability

- List and brief description of conditions:
- (a) appropriate statements from bankers;
 - (b) the submission of the firms balance sheets or extracts there from, where publication of a balance sheet is required under company law in the country in which the supplier is established;
 - (c) a statement of the firms overall turnover and its turnover in respect of the goods to which the contract relates for the previous 3 financial years.

III.2.3. Technical and professional ability

List and brief description of conditions:

- (a) a list of the principal deliveries effected in the past 3 years, with the sums, dates and recipients, public or private, involved: in the case of public contracting authorities, evidence to be in the form of certificates issued or countersigned by the competent authority; in the case of private purchasers, delivery to be certified by the purchaser or, failing this, simply declared by the supplier to have been effected;
- (b) a description of the firm's technical facilities, its measures for ensuring quality and its study

and research facilities;

(c) indication of the technicians or technical bodies involved, whether or not belonging directly to the supplier's firm, especially those responsible for quality control;

(d) samples, description and/or photographs of the products to be supplied, the authenticity of which must be certified if the contracting authority so requests;

(e) certificates drawn up by official quality control institutes or agencies of recognized competence attesting conformity to certain specifications or standards of products clearly identified by references to specifications or standards; Indication of arrangements for quality checks on the supplier's premises;

(f) where the goods to be supplied are complex or, exceptionally, are required for a special purpose, a check carried out by the contracting authority or on its behalf by a competent official body of the country in which the supplier is established, subject to that body's agreement, on the production capacities of the supplier and, if necessary, on his study and research facilities and quality control measures.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: yes

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Open

IV.1.2. Information about the limits on the number of candidates to be invited

IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

VI.3. Additional information

This project is part of Derry's wider Super-Connected Cities Programme (SCCP), a central government scheme to improve broadband infrastructure in the larger UK cities.

VI.4. Procedures for review

VI.4.1. Review body

Official name: The High Courts of Justice of Northern Ireland

Postal address: The Royal Courts of Justice, Chichester Street

Town: Belfast

Postal code: BT1 3JF

Country: United Kingdom

VI.4.2. Review procedure

Precise information on deadline(s) for review procedures: This authority will incorporate a standstill period at the point information on the award of the contract is communicated to tenderers. That notification will provide full information on the award decision. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge the award decision before the contract is entered into. The Public

Contracts Regulations 2006 (SI 2006 No 5) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).

VI.4.3. Service from which information about the review procedure may be obtained

VI.5. Date of dispatch of this notice

25.4.2014
