Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

1) Tax certificate. Tenderers must have orderly conditions with regard to payment of tax, employer's national insurance contributions and VAT.

Documentation requirement: Tax certificate not older than six months calculated from the tender deadline. A tax certificate is defined as:

For Norwegian tenderers:

Tax and VAT certificate issued by the tax office via Altinn.

For foreign tenderers:

Foreign tenderers must submit equivalent certificates from their own country that show that they have orderly conditions in relation to the payment of tax and duties. If the authorities in the relevant country do not issue such certificates, the tenderer should submit a declaration stating that all taxes and duties have been paid. The statement must be approved and signed by the tenderer's Financial Director/person responsible for finance.

2) Company registration certificate. Tenderers must be a legally established company.

Documentation requirement: Norwegian tenderers:

Company registration certificate

Foreign tenderers:

Confirmation that the tenderer is registered in a trade register or company register in accordance with the law in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Annual accounts. Tenderers must have the sufficient financial strength to fulfil the contract.

Minimum level(s) of standards possibly required:

The tenderer's Annual Financial Statements including notes with the board and auditor's reports from 2021 and 2022. Additionally, tenderers are asked to present a credit rating from a reputable credit rating agency, not older than 6 months from the tender deadline.

Documentation requirement: If the annual accounts for 2022 are not completed by the tender deadline, the preliminary annual accounts for 2022 must be attached.

The contracting authority reserves the right to obtain a credit assessment itself.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

1) Implementation ability. Tenderers must have sufficient implementation ability to fulfil the contract.

2) Reference descriptions. Tenderers shall have valuable experience from relevant and comparable deliveries.

Relevant and comparable deliveries mean assignments of the same scope and size.

3) Quality assurance system/management system. Tenderers must have a documented and implemented satisfactory quality assurance/management system.

Minimum level(s) of standards possibly required:

Documentation requirement:

1) A short and general description of the organisation shall be given, including:

An account of the company's core competence related to the scope of the delivery.

A description of the proportion of the contract that the tenderer is considering to sub-contract out.

2) Description of the tenderer's 3 most relevant and comparable assignments in the last 3 years.

Tenderers must substantiate compliance by completing the attached template for reference descriptions; see Annex 4 - Reference descriptions.

Tenderers are asked to attach any available signed attestations from previous assignments.

3) A short description of the tenderer's quality assurance/management system.

The description must however be so detailed that the contracting authority can undertake an independent evaluation of whether the tenderer's quality assurance system can be considered well-functioning for this contract.

If a tenderer is certified in accordance with ISO 9001 or equivalent quality assurance certificate, it is sufficient to attach a copy of the valid certificate.
