II.1.4. Short description

- (a) Insulin Pumps and Continuous Glucose Monitoring Devices (CGM)
- (b) Consumables required enabling administration of Insulin via Insulin Pumps

LPP, participating authorities or groups of participating authorities will reserve the right to conduct further competitions on behalf of participating authorities where that authority/those authorities wishes to improve value by rationalising the product range available. When conducting local further competitions NHS organisations may choose to include 1, 2 or all lots and may vary the sub criteria for award as defined in the tender documents for the framework agreement.

Organisations interested in supplying these products under a framework agreement to engage with LPP should download the procurement documentation and submit a tender in accordance with the instructions.
