Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2.

Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: yes

Description of particular conditions: The tenderer is obliged to meet the requirements regarding payment and working conditions in public contracts, dated 8.2.2008.

There are requirements that Tenderers No 1, 2 and 3 shall each ensure that during the entire contract period at least the following shall be used:

— 2 apprentices for the execution of work connected to this contract.

The other Tenderers shall each ensure that during the entire contract period there will be used at least:

— 1 apprentice for the execution of work connected to this contract.

The tenderer is required to offer electronic invoices in Electronic Commerce Format (ECF) from the date of contract signing. As a Contractor, an agreement with an access point must be entered into.

The Contracting Authority shall have full authority from the Tenderer and sub-contract(s) for an unlimited number of times to collect information about the matters specified in the authority for collection of information about tax and duties etc. that are annexed to this contract.

There are requirements for the submission of crew lists. Prior to start up of the work, the Tenderer shall send the Contracting Authority a list of which persons shall execute the work on the construction and building site with personal identification number or identity number (11 digits).

The tenderer can not have more than 1 link in the chain of sub-contractors under them.

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: The tenderer's tax and VAT payments shall be in order.

Documentation:

Tax and VAT certificate, not older than 6 months. The certificate can be ordered and downloaded from Altinn. If this is not possible, it can be ordered from the tax collector or the Norwegian Tax Administration.

Norwegian tenderers who are not subject to VAT must provide confirmation of this from the National Tax Board.

Foreign tenderers must provide certificates from equivalent authorities to the Norwegian authorities.

Requirement:

Tenderers shall be a legally established company.

Documentation:

Norwegian companies: Company Registration Certificate.

Foreign companies: Verification that the company is registered in a trade index or a register of business enterprises as prescribed by the law of the country where the company is established.

III.2.2. Economic and financial ability

List and brief description of conditions: The tenderer must have the financial capacity to implement the assignment/contract.

Documentation:

The company's last Annual Financial Statements including notes, the Board's Annual Report and Audit Report, as well as new information of relevance to the company's fiscal numbers. The Contracting Authority reserves the right to obtain credit appraisal on its own initiative.

III.2.3. Technical and professional ability

List and brief description of conditions:

Tenderers shall have good experience from equivalent assignments.

Documentation:

— A list of the most important deliveries and executed services in the last 3 years, including information about values, dates, name of the public or private recipients and a brief description of the assignment.

Requirement:

The tenderer shall have sufficient administrative and operative implementation ability.

Documentation:

A statement of the tenderer's average workforce and the number of employees in the administrative management during the last year.

Information on education and professional qualifications of the supplier and the company's administrative leadership (competency matrix).

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no
