Framework agreement for network equipment, service contract and associated consultancy services.

**II.1.2. Type of contract and place of performance or delivery**

Services

Service category No 7: Computer and related services

Main site or place of performance: Oslo and Kongsvinger, Norway.

NUTS code NO Norge

**II.1.3. Information about a framework agreement or a dynamic purchasing system**

The procurement involves the establishment of a framework agreement

**II.1.4. Information about framework agreement**

Framework agreement with a single operator

### **Duration of the framework agreement**

Duration in years: 4

#### **II.1.5. Short description of the contract or purchase(s)**

The aim is to enter into framework agreements for the procurement of network equipment as well as a service contract and consultancy services for operating the network equipment.

The competition consists of 2 lots:

1) New framework agreement and immediate procurement and installations of new switches for client access network for the floor distributor rooms with the necessary service contract.

The framework agreement will also cover further procurements of switches and network consultancy services for the access network as needed in the period. An NAC system shall be installed together with the switches;

2) New framework agreement for Cisco network components in the computer rooms, including service contract, regular consultancy services/operational support and future expansions.

Tenderers can give a tender for only point 1 or point 2 or for both. The total value of the contract is estimated to approx. 3 000 000 NOK.

The awarding authority is using Merzell Sourcing Service for this tender process. In order to register your interest in this tender and get access to documents you have to click on the link below or copy and paste it into your Internet browser.

**Section III: Legal, economic, financial and technical information**

**III.1. Conditions related to the contract**

**III.1.1. Deposits and guarantees required**

**III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them**

**III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded**

**III.1.4. Contract performance conditions**

The performance of the contract is subject to particular conditions: no

**III.2. Conditions for participation**

### **III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions: (1) Company registration certificate;  
(2) Value added tax certificate (national requirement);  
(3) Company tax certificate (national requirement);  
(4) Self-declaration in compliance with Appendix 2 (HSE) of the Norwegian procurement regulations (national requirement).

### **III.2.2. Economic and financial ability**

List and brief description of conditions: The supplier (i.e. the company that gives a tender) shall enclose a credit rating from a certified credit institution/company. The credit rating shall be based on the last known accounting figures. The credit rating shall be a so called rating and it shall include a credit rating, part judgement and historical rating.

Minimum level(s) of standards possibly required: The credit rating shall not be worse than A (credit worthy) or equivalent if another rating is used (number judgements). Tenders from suppliers with a rating lower than A or equivalent (i.e. not credit worthy or credit worthy with security) will not be assessed.

### **III.2.3. Technical and professional ability**

List and brief description of conditions:

(1) A list of the principal deliveries effected, or main services provided, by the company, in the past three years, with the values, dates and recipients (for supply and service contracts);  
(2) A statement of the quality assurance/quality control system operated by the company.

It is a prerequisite that the supplier has a system for quality assurance, clear ethical guidelines and a thought through environment profile.

Quality assurance and the environment profile shall be documented with relevant certificates or a self-declaration. Ethical guidelines are to be enclosed. Any internet address for a detailed description of the quality assurance system is to be given.
