Section II: Object of the contract

II.1. Description**II.1.1. Title attributed to the contract by the contracting authority**

Procurement of effort packages for use in evacuation operations.

II.1.2. Type of contract and place of performance or delivery

Supplies

Purchase

Main site or place of performance: Oslo, Norway.

NUTS code NO Norge

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

The Ministry of Trade, Industry and Fisheries shall procure effort packages dimensioned for 500 people in 3 days. The packages shall primarily be used in connection with assistance to shipping companies/ships in situations requiring evacuation of people. The effort packages shall also be used in connection with other humanitarian situations.

This procurement shall cover parts of the effort packages and includes:

- Containers;
- Tents (self-erecting, shall be placed on ship decks) as well as lights, electricity supply and couplings;
- Light folding beds, groundsheets and sleeping bags;
- Light cloths ('jogging suits');
- Field toilets which can be used without electricity/water supply;
- Various accessories. See the requirement specification in the contract for further details.

The equipment must also contain a sufficient number of clip-lock boxes in which the equipment shall be packed.

See annex 1 to the contract (the contracting authority's requirement specification) for a further description of the delivery.

II.1.6. CPV code(s)

35112000 Rescue and emergency equipment, 35113000 Safety equipment, 35100000 Emergency and security equipment, 31730000 Electrotechnical equipment, 44510000 Tools, 44512000 Miscellaneous hand tools, 39522530 Tents, 18000000 Clothing, footwear, luggage articles and accessories, 30192000 Office supplies, 44614300 Container storage system, 39300000 Miscellaneous equipment

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

II.1.8. Lots

This contract is divided into lots: no

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

The procurement, including option for the delivery of 1 additional effort package, shall be within a frame of 3 600 000 NOK, including VAT.

This procurement shall cover parts of the effort packages and includes:

- Containers;
- Tents (self-erecting, shall be placed on ship decks) as well as lights, electricity supply and couplings;
- Light folding beds, groundsheets and sleeping bags;
- Light cloths ('jogging suits');
- Field toilets which can be used without electricity/water supply;
- Various accessories. See the requirement specification in the contract for further details.

The equipment must also contain a sufficient number of clip-lock boxes in which the equipment shall be packed.

The Ministry of Trade, Industry and Fisheries requests an option for a procurement of one additional effort package with identical contents as described in annex 1.

II.2.2. Information about options

Options: yes

Description of options: The Ministry of Trade, Industry and Fisheries requests an option for a procurement of one additional effort package with identical contents as described in annex 1.

II.2.3. Information about renewals

This contract is subject to renewal: no

II.3. Duration of the contract or time limit for completion

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Qualification requirement:

— Paid taxes and duties;

Documentation requirement:

— Tax certificate and VAT certificate not older than 6 months, issued by a competent authority confirming that the tenderer has fulfilled his obligations regarding the payment of taxes, social security contributions and VAT. The tax certificates must be issued by the tax collection office in the municipality where the tenderer has his head office and by the tax officer in the corresponding county.

Qualification requirement:

— Legally established company.

Documentation requirement:

— Company Registration Certificate.

III.2.2. Economic and financial ability

List and brief description of conditions: Qualification requirement:

— Adequate economic and financial capacity to carry out the delivery where, amongst other things, creditworthy with no requirements for guarantees is sufficient.

Documentation requirement:

— A credit rating with key figures from a recognised credit rating company or other form of documentation to demonstrate that the requirement has been met.

III.2.3. Technical and professional ability

List and brief description of conditions:

Qualification requirement:

—At least 3 relevant deliveries during the last 3 years with relevance for this contract.

Relevance is defined as a delivery of equipment within corresponding assortment as requested in annex 1 to the contract.

—Sufficient professional expertise and capacity.

— Environmental management measures. To ensure compliance with the contract's environmentally relevant requirements, the supplier must have the necessary procedures and systems for the goods and services sought.

Documentation requirement:

— Reference list of all of the service provider's deliveries in the last 3 years with relevance to this assignment, stating the name of the contracting authority, value of the contract and references. What has been delivered and the function the tenderer had in the assignment, must be stated.

— Description of the supplier's professional expertise and capacity.

— An account of the existing routines documenting that the requirement concerning the environment management system has been met. If this is described in the organisation's quality or environmental management system in accordance with ISO 9001, and ISO 14001 or other third-party verified systems, it is sufficient to submit a copy of the current certificate.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no
