DFID is now seeking an Evaluation Manager to develop and implement an evaluation strategy for Investments in Forests and Sustainable Land Use, focused primarily on the outcome level of the programme and on learning across programme activities. The services will commence in August 2016 and run for a period of 48 months, at a maximum budget of 1 500 000 GBP. Questions for the market DFID has made a draft Terms of Reference for this evaluation available on the DFID Supplier Portal.
