## Section III: Legal, economic, financial and technical information

---

### III.1. Conditions for participation

#### III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement:

— The tenderer shall be a legally established company.

Documentation requirement:

— Norwegian companies: Company Registration Certificate.

— Foreign companies: Proof that the company is registered in a trade index or business register as prescribed by the law of the country where the tenderer is established.

#### III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement:

— Tenderers shall have the economic capacity to fulfil the assignment. This bullet point will be subject to assessment of turnover, annual results, as well as key figures in the balance sheet.

Documentation requirement:

— The company's last annual financial statement including notes, the board's annual report and audit report, as well as recent information of relevance to the company's accounting figures.

The contracting authority will obtain a credit rating from Experian.

#### III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement:

— Tenderers shall have a good implementation ability and experience from equivalent assignments with a large number of delivery places.

Documentation requirement:

— An overview of the most important services that the tenderer has carried out during the last 3 years, together with information on the contract value, date of delivery or execution and name of the recipient.

Requirement:

— Tenderers must have sufficient capacity to complete the delivery.

Documentation requirement:

— A description shall be given of the tenderer's technical personnel or technical entities the tenderer has at his disposal/through sub-contractors to fulfil the contract.
