**II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)**

The procurement involves the establishment of a framework agreement

**II.1.4.**

### **Short description of the contract or purchase(s)**

The objective of the procurement is to enter into framework agreements that shall comply with the Municipal Undertaking for Social Housing's requirements for joinery and carpentry works. At present the Municipal Undertaking for Social Housing has an agreement for this area. This agreement expires in April 2016 and a new agreement must be entered into subsequent to this expiration date.

The Municipal Undertaking for Social Housing has a separate framework agreement for craft services with several trade groups for indoor works, as well as agreements involving smaller contracts, mainly outdoor works. Both these agreements include carpentry works where the assignment includes several trade groups.

The current agreement involves joinery and carpentry works where this is the sole trade group in the assignment. The agreement will include works in inhabited apartments and common areas. The framework agreements shall be used by the entire Municipal Undertaking for Social Housing for relevant assignments.
