The contracting entity is purchasing on behalf of other contracting entities: yes

Official name: Avinor AS

National registration number: 985 198 292

Town: Gardermoen

Postal code: 2061

Country: Norway

Section II: Object of the contract

II.1. Description**II.1.1. Title attributed to the contract by the contracting entity**

Building construction work – Part 2.

II.1.2. Type of contract and place of performance or delivery

Works

Realisation, by whatever means of work, corresponding to the requirements specified by the contracting entities

Main site or place of performance: Stavanger Lufthavn Sola.

NUTS code NO05 Vestlandet

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

Avinor AS shall extend the terminal building at Stavanger Airport Sola with approx. 2 700 m². About 950 m² is an extension and reconstruction of the ground floor baggage system area, approx. 1.290 m² for passengers and commercial use in 1st floor and the rest is allocated to technical equipment rooms.

The baggage sorting system and passenger area is located airside and residue areas on landside. The ground floor outer wall airside is a concrete construction with reinforced concrete elements. 1st floor outer wall is made of frameworks and window areas. The landside extension is erected as steel framework with timber frames. The construction work is being performed while the airport is in operation.

The scope of this contract comprises the complete work related to timber, ceilings, painting, flooring, fire packing/sealing, bricking and tiles. Contract award is planned to take place primo September 2014. Preliminary plan for site execution is from 1.10.2014 to 5.5.2015.

The contract shall include an optional additional delivery of until 100 % of the initial contract value covering the potential next extension of the central terminal area (USO T1). This extension is planned to be executed in sequential phases.

In summary, – this contract comprises the first phase extension (TUSO) + an option for reconstruction of the commercial area and preparatory work for the first next phase (USO T1).

II.1.6. CPV code(s)

45213331 Airport buildings construction work, 45422000 Carpentry installation work, 45262520 Bricklaying work, 45431000 Tiling work, 45261220 Roof-painting and other coating work, 45432000 Floor-laying and covering, wall-covering and wall-papering work, 45200000 Works for complete or part construction and civil engineering work
