2.1. Procedure

Title: Supply and Maintenance of automated S-trains - (New automated S-trains)

Description: DSB seeks to acquire automated s-trains and a variety of interconnected deliverables. The purpose of the acquisition is to enable DSB to carry out its passenger transport operations. Furthermore, DSB intends to acquire maintenance including a maintenance solution, maintenance operations by use of DSB's maintenance personnel, technical support and delivery of spare parts for the automated s-trains and other supplier services. Thus, the procurement consists of an agreement for acquisition of automated s-trains and other deliverables (Supply Agreement, "SA") and maintenance services as a Technical Support and Spare Parts Supply Agreement (TSSSA) and other supplier services for the automated s-trains (Maintenance Agreement, "MA"). The two agreements are interconnected and the tender procedure for the agreements is the same. Award will take place for both agreements to the same tenderer in accordance with the common award criteria, see section II. 2.5.

5.1.16. Further information, mediation and review

Review organisation: Klagenævnet for Udbud

Information about review deadlines: Pursuant to the Danish Act on the Complaints Board for Public Procurement, etc. (lov om Klagenævnet for Udbud m.v.) (the Act is available (in Danish) at www.retsinformation.dk), the following deadlines apply to the lodging of complaints:

Complaints for not having been selected must be submitted to the Danish Complaints Board for Public Procurement before the expiry of 20 calendar days, see section 7(1) of the Act, from the day after submission of notification to the candidates concerned of the identity of the successful tenderer where the notification is accompanied by an explanation of the grounds for the decision in accordance with section 2(1), para (1) of the Act. In other situations, complaints of award procedures, see section 7(2) of the Act, must be lodged with the Danish Complaints Board for Public Procurement before the expiry of: 1) 45 calendar days after the contracting entity has published a notice in the Official Journal of the European Union that the contracting entity has entered into a contract. The deadline is calculated from the day after the day when the notice was published. 2) 30 calendar days calculated from the day after the day when the contracting entity has notified the candidates concerned that a contract based on a framework agreement with reopening of competition or a dynamic purchasing system has been entered

into where the notification has included an explanation of the relevant grounds for the decision.

3) 6 months after the contracting entity entered into a framework agreement calculated from the day after the day when the contracting entity notified the candidates and tenderers concerned, see section 2(2) of the Act. Not later than at the time of lodging a complaint with the Danish Complaints Board for Public Procurement, the complainant must notify the contracting entity in writing that a complaint has been lodged with the Danish Complaints Board for Public Procurement and whether the appeal was lodged during the standstill period, see section 6(4) of the Act. In cases where the complaint was not lodged within the standstill period, the complainant must furthermore indicate whether a suspensory effect of the complaint has been requested, see section 12(1) of the Act. The e-mail address of the Complaints Board for Public Procurement is set out in section VI.4.1). The Complaints Board's own complaints procedure is available at <https://naevneneshus.dk/start-din-klage/klagenaevnet-for-udbud/vejledning/>
