Port-related activities

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Tilbury 2 Port Expansion - Marine Works

Reference number: CB/203644

II.1.2. Main CPV code

45000000 Construction work

II.1.3. Type of contract

Works

II.1.4. Short description

Port of Tilbury London Limited (PoTLL) is suitably accredited and demonstrably experienced contractors to design and build new port facilities for the existing Tilbury port. The purpose of

the works is to increase capacity at the port by providing new fixed and floating berthing facilities for the unloading and loading of ships and new hard standings for cargo handling, processing and storage. The works will also include a new rail head, the construction of road and rail links to existing networks, and sundry port facility building works.

The procurement will be split into 2 contracts:

1— a marine works contract, and

2— a terrestrial works contract.

Interested parties are asked to complete and return a selection questionnaire via the portal.

II.1.5. Estimated total value

Value excluding VAT: 25 000 000,00 GBP

II.1.6. Information about lots

IV.2.4. Languages in which tenders or requests to participate may be submitted

English

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.3. Additional information

PoTLL has submitted an application to the UK Planning Inspectorate (acting on behalf of the secretaries of state for housing, communities and local government and for transport) for development consent for the project under the Planning Act 2008. If granted, this will be in the form of a Development Consent Order (DCO). The application for the DCO was submitted on 31.10.2017 and final determination of the application is expected in February 2019.

The procurement will be split into two contracts:

1— a marine works contract, and

2— a terrestrial works contract.

Interested parties are asked to return a “Selection Questionnaire Confirmation Form” found in the Selection Questionnaire (Appendix A).

PoTLL are looking to engage contractor(s) on fixed price design and build contracts using the Infrastructure Conditions of Contract (ICC) terms and conditions incorporating PoTLL specific amendments.
