**II.1.4. Short description**

The contract concerned is the result of Eurofound call for tenders aiming at the establishment of a network of correspondents providing both scheduled and on-request reporting services. The network is to act as an input mechanism by ensuring the ongoing supply of information research services required for the successful implementation of Eurofound's new programming period 2017–2020.

The network will also be used to assist, although to a limited extent only, in the provision of information to support Eurofound's communication activities. In addition, services required may extend to other on-request tasks as necessary.

Scheduled reporting services are these of a recurring nature which will be scheduled throughout the year. On-request reporting services refer mainly to these with a less than annual frequency and services where the exact volume is not known in advance.

This award notice regards the contract for the Slovak correspondent.
