1.1. Buyer

Official name: Tysvær Kommune

Email: post@tysver.kommune.no

Legal type of the buyer: Public undertaking

Activity of the contracting authority: General public services

2. Procedure

2.1. Procedure

Title: Area planning and technical consultancy services - qualification phase.

Description: The Contracting Authority Tysvær municipality (TK) would like, via this competition, to enter into parallel framework agreements for assignment management and consultancy services for area planning and consulting engineers for technical planning (roads, water, sewage, geology/geotechnics etc.) with 2 (two) companies. Distribution of assignments between tenderers will be approx. 60 (winner) / 40 (no. 2). NOTE: The municipality requires that each tenderer can offer both disciplines - Area planning and technical planning - as this is seen as an advantage, which, according to the municipality's experience, will give synergy effects in the disciplines. The framework agreement period is 2 years with an option for a further 1+1+1 years. The contract period is included in the tender documentation, including 3 option years. The contract has an estimated annual value of approx. NOK 3,000,000 excluding VAT (divided between both tenderers. This gives a total estimated value for the framework agreement's length (including options) of NOK 15,000,000 excluding VAT. The estimated value is only an estimate of the extent, of an informative character, and binds the municipality in no way. The number of assignments depends on activity in the municipality and the budget approved by the municipal council in December each år. TK reserves the right to announce assignments with a value of more than NOK 1,000,000 as separate competitions.

Procedure identifier: f9875d93-8af0-4b78-abdb-23c8ae69ca57

Internal identifier: 2026/573

Type of procedure: Negotiated with prior publication of a call for competition / competitive with negotiation

The procedure is accelerated: no

Main features of the procedure: Tysvær municipality would like pro-active tenderers and it is a prerequisite that the tenderer, as part of the assignment, understands the municipality's overall plans and strategies, primarily the municipal plan and the main water and sewage plan, but there are also relevant regional plans. Contracts (call-offs) signed within the expiry of the framework agreement shall be completed in accordance with the terms of this agreement and conditions agreed in connection with the concrete oppdraget. TK would like a tenderer with broad experience within different types reguleringsplaner. TK has a regular need to have prepared or changed zoning plans. This applies to both area development plans and detailed

zoning plans. Most of the plans are for housing, business areas, public services such as nurseries, schools and institutions, and municipal roads. The list is not exhaustive. A typical assignment will be preparing a zoning plan and the accompanying overall technical plan. A general technical plan will follow phase 1 up to and including 3, as stated in ANNEX 1 Requirement Specifications consultant assignments - phases. In addition to preparing or changing development plans, TK wants tenderers to be able to help the municipality with reports and preparatory work in connection with. with different types of area plans. This can i. a. regarding traffic and capacity calculations, flood calculations, noise assessments and assessments about utilisation of område. TK would like a tenderer with good competence and broad experience in technical planning, and who can be a resource for TK as regards technical and practical buildable systems and systems that pay off economically in the long term in terms of operation and maintenance. The framework agreement includes the assignment manager and consulting engineers for detailed engineering design services for: pipeline installations for water pump stations for water elevated basins for water with the necessary automation treatment facility for water development automation automation hydraulic calculations, hydrological assessments and calculations local and open surface water treatment convention surface water treatment of existing sewage and transfer to municipal main installations pump stations with the necessary sewage installations with the necessary Automation sewage repair border installations for sewage emission arrangements for sewer sludge treatment engineering design services for development areas, industry and bustad engineering design services for road programmes/adaptations for recipient examinations art grass courts, both the renovation and new installations Listen is not exhaustive. These points also include expertise in environment consultancy services, hydraulics, urban hydrology, cleaning techniques, geology and geotechnical engineers, ground surveys mm. TK will in projects where the extent and costs have not been clarified, prepare a preliminary project with clarification of the extent, proposals for the main systems and the builder calculation, before technical planning/detailed engineering design is initiated. TK can also have a need to prepare technical plans - both as independent assignments and on behalf of. with development plans. Independent assignments will be defined and detailed in the order. In the fb. with zoning assignments it means, in most cases, to prepare a general technical plan for quality assurance of the planning work, or a technical plan/construction plan as a basis for anbud. TK work process when technical planning is presented in annex 1 and it shall be followed by the chosen framework agreement suppliers. Tenders for competition (cf. the procurement regulations) and follow-up in the construction period TK will, in accordance with. With the publication of competitions and the execution phase could need follow-up from tenderers such as: Preparation of competition documents, part II Contract's basis Evaluation of tender offer for TK After contract with TK will be responsible for construction management in the project Preparation of work drawings. Clarification as regards individual items during implementation, Re-engineering design services for changes in the project Development of "as the building" tegninger. TK use Mercell for competition implementation, and the tenderer must have his own Mercell licence. The municipality shall be entitled to later use of produced materials.

2.1.4. General information

Legal basis:

Directive 2014/24/EU

Anskaffelsesforskriften - Value above the EEA threshold. FOA §13-1 (2), §13-2, letter c.

2.1.6. Grounds for exclusion

Sources of grounds for exclusion: Notice

Corruption: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a enforceable verdict has been convicted of corruption by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Corruption as defined in Article 3 of the Convention on Combating Corruption, Involving European Communities or European Union Member States (EUT C 195 of 25.6.1997, s. 1), and in Article 2, point 1, in the Council's framework decision 2003/568/RIA of 22 July 2003 on combating corruption in the private sector (EUT L 192 of 31.7.2003, p. 54). This rejection reason also includes corruption as defined in national law for the contracting authority or supplier.

Fraud: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted of fraud has been convicted of fraud by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Fraud included in Article 1 of the Convention on protection of the Financial Interests of the European Communities (EFT C 316 of 27.11.1995, p. 48).

Money laundering or terrorist financing: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of money laundering or financing terrorism by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Money laundering or financing terrorism As defined in Article 1 of the European Parliament and Council Directive 2005/60/EF of 26 October 2005 on preventive measures against the use of the financial system for money laundering and financing terrorism (EUT L 309 of 25.11.2005, p. 15).

Participation in a criminal organisation: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted verdict of participation in a criminal organisation by a verdict handed down no more than five years ago,

or a rejection period set out directly in the judgement that still applies? Participation in a criminal organisation as defined in Article 2 of the Council's framework decision 2008/841/RIA of 24 October 2008 on control of organised crime (EUT L 300 of 11.11.2008, p. 42)

Terrorist offences or offences linked to terrorist activities: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, af 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

Child labour and including other forms of trafficking in human beings: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of child labour and other forms of human trafficking by a verdict handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies? Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Breaching of obligations in the fields of environmental law: Is the tenderer aware of breaches of environmental provisions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Breaching of obligations in the fields of labour law: Is the tenderer aware of breaches of provisions on working conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Breaching of obligations in the fields of social law: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Agreements with other economic operators aimed at distorting competition: Has the tenderer entered into agreement(s) with other tenderers with the intention of turning the competition?

Grave professional misconduct: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Misrepresentation, withheld information, unable to provide required documents or obtained confidential information of this procedure: Have the tenderer:a) given grossly incorrect information when notifying the information required to verify that there is no basis for rejection, or of the qualification requirements being met,b) failed to provide such information,c) subject to immediately submitting the supporting documents requested by the Contracting Authority, ord) improperly affecting the Contracting Authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Conflict of interest due to its participation in the procurement procedure: Are tenderers aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Direct or indirect involvement in the preparation of this procurement procedure: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Early termination, damages, or other comparable sanctions: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Breaching of obligations set under purely national exclusion grounds: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons. Will the purely national rejection reasons, as stated in the relevant notice or in the procurement documents, apply?

Breaching obligation relating to payment of social security contributions: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Breaching obligation relating to payment of taxes: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Business activities are suspended: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Bankruptcy: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Arrangement with creditors: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Insolvency: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Assets being administered by liquidator: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Analogous situation like bankruptcy, insolvency or arrangement with creditors under national law: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Main nature of the contract: Services

Main classification (cpv): 71320000 Engineering design services

Additional classification (cpv): 71240000 Architectural, engineering and planning services, 71300000 Engineering services, 71310000 Consultative engineering and construction services, 71313400 Environmental impact assessment for construction, 71350000 Engineering-related scientific and technical services, 71355000 Surveying services, 71400000 Urban planning and landscape architectural services, 71410000 Urban planning services, 71420000 Landscape architectural services, 71800000 Consulting services for water-supply and waste consultancy, 72220000 Systems and technical consultancy services, 72224000 Project management consultancy services

5.1.2. Place of performance

Country subdivision (NUTS): Rogaland (NO0A1)

Country: Norway

5.1.3. Estimated duration

Start date: 31/07/2026

Duration end date: 31/07/2031

5.1.5. Value

Estimated value excluding VAT: 12 500 000,00 NOK

5.1.6. General information

Reserved participation:

Participation is not reserved.

Procurement Project not financed with EU Funds.

The procurement is covered by the Government Procurement Agreement (GPA): no

5.1.9. Selection criteria

Sources of selection criteria: Notice

Criterion: Enrolment in a trade register

Description of selection criterion: Tenderers are registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex.

The criteria will be used to select the candidates to be invited for the second stage of the procedure

Criterion: Financial ratio

Description of selection criterion: For financial key figures stated in the notice or in the procurement documents, the tenderer declares that the actual value(s) of the requested key figures are as follows: Minimum qualification requirements It is a requirement of mine. rating A or equivalent with a certified rating actor.

Criterion: Professional risk indemnity insurance

Description of selection criterion: The insured amount in the tenderer's liability insurance is the following: Minimum qualification requirements Tenderers must have relevant liability insurance. Must be stated.

Criterion: References on specified services

Description of selection criterion: Only for services: In the reference period, the tenderer has carried out the following important goods deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to three years experience and allow experience from the previous three years to be taken into consideration. Minimum qualification requirements General: See the requirements in Annex A Review of the assignment. CVs shall be submitted per team member, as well as 2 signed reference forms per team member, not older than five years.

Criterion: Environmental management measures

Description of selection criterion: Tenderers can employ the following environmental management measures in connection with the execution of the contract: Minimum qualification requirements Must be stated.

Criterion: Subcontracting proportion

Description of selection criterion: The tenderer is considering to outsource the following part (as a percentage) of the contract to sub-suppliers. Note that if the tenderer has decided to outsource a part of the contract to sub-suppliers and will use the sub-suppliers' capacity to carry out this part, a special ESPD will be supplemented for such sub-suppliers, see part II, section C, above. Minimum qualification requirements Must be stated, see the tender documents.

Criterion: Certificates by independent bodies about quality assurance standards

Description of selection criterion: Can tenderers submit certificates issued by independent bodies that document that the tenderer fulfils the stated quality assurance standards, including universal design requirements? Minimum qualification requirements

Criterion: Certificates by independent bodies about environmental management systems or standards

Description of selection criterion: Is the tenderer able to submit certificates issued by independent bodies as documentation that the tenderer fulfils the stated environmental management systems or standards? Minimum qualification requirements If certification for environmental management has not been approved, this must be in place. the first two years of the contract.

Information about the second stage of a two-stage procedure:

Minimum number of candidates to be invited for the second stage of the procedure: 3

Maximum number of candidates to be invited for the second stage of the procedure: 5

The procedure will take place in successive stages. At each stage, some participants may be eliminated

The buyer reserves the right to award the contract on the basis of the initial tenders without any further negotiations

5.1.11. Procurement documents

Languages in which the procurement documents are officially available: Norwegian

Address of the procurement documents: <https://permalink.mercell.com/276092514.aspx>

5.1.12. Terms of procurement

Terms of submission:

Electronic submission: Required

Address for submission: <https://permalink.mercell.com/276092514.aspx>

Languages in which tenders or requests to participate may be submitted: Norwegian

Electronic catalogue: Not allowed

Advanced or qualified electronic signature or seal (as defined in Regulation (EU) No 910/2014) is required

Variants: Not allowed

Deadline for receipt of requests to participate: 13/04/2026 10:00:00 (UTC+00:00) Western European Time, GMT

Terms of contract:

The execution of the contract must be performed within the framework of sheltered employment programmes: No

Electronic invoicing: Required

Electronic ordering will be used: no

Electronic payment will be used: yes

5.1.15. Techniques

Framework agreement:

Framework agreement, without reopening of competition

Maximum number of participants: 5

Justification for the duration of the framework agreement: Parallel framework agreements with 2 tenderers. Ensures the municipality's need, considerable transaction costs for a small municipality. The duration of the framework agreement is in accordance with the law.

Information about the dynamic purchasing system:

No dynamic purchase system
