II.1. Description

II.1.1. Title attributed to the contract by the contracting authority

Framework agreement trade services 2016.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 1: Maintenance and repair services

Main site or place of performance: Ulstein.

NUTS code NO Norge

II.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

II.1.4. Information about framework agreement

Framework agreement with a single operator

Duration of the framework agreement

Duration in years: 2

Estimated total value of purchases for the entire duration of the framework agreement

Estimated value excluding VAT:

Range: between 2 000 000 and 8 000 000 NOK

II.1.5. Short description of the contract or purchase(s)

The procurement Framework Agreement Trade Services 2016 is divided into 3 parts and comprises the disciplines: a) carpentry and joinery work, b) floor laying, wallpapering, painting, tiling, etc. and c) external painting, etc.

Through this procurement, UEKF will enter into a framework agreement with tenderers for the different disciplines/trades mentioned. By using such contracts, UEKF would like to have easy and good access to trade services within these disciplines and to solve assignments in accordance with this with good quality and at the correct price. The framework agreement shall cover procurements of all normal trade services within these disciplines for improving and maintaining existing municipal buildings and municipal residences. The contracting authority estimates that the total extent for services requested here can be between 500 000 NOK-2 000 000 NOK per annum. The extent can vary and the contracting authority will not be obligated to any specific volume in this contract. The contract is for 2 years, with a unilateral option for the contracting authority to an extension for a further 1+1 year.
