6. Results

Direct award

:

Justification for direct award: The contract can be provided only by a particular economic operator because of exclusive rights, including intellectual property rights

Other justification: Our view is that Genius™ Digital Diagnostics System, or fully automated system for digital cytological screening combined with the AI algorithm, provided by Hologic is the only system on the market that meets our need. The system is compatible with the ThinPrep system 5000 that Helse Stavanger HF currently uses, and it is only this digital diagnostic system that can read slide directly in Genius Image. (scanning unit)
