VI.3.2. Review procedure

Precise information on deadline(s) for review procedures: Lodging of appeals: In the event of any dispute or difference ('the Appeal') arising from this Contract Notice or the subsequent tender process, such Appeal shall be referred to GGHT's appeals procedure as follows:

1. The Appeal shall be sent to GGHT's Head of Central Services who shall refer the Appeal for resolution through an appropriate GGHT Director who has had no involvement with the Contract Notice or subsequent tender process;
2. In the event that the Appeal is not resolved through the appropriate GGHT Director then the Appeal shall be referred to a panel set up by GGHT's Board of Directors for resolution;
3. If the parties are unable to resolve the Appeal through the above two-stage procedure then the Appeal shall be referred by either party for arbitration in accordance with the provisions of the Arbitration Acts 1950 and 1996 by a sole arbitrator to be appointed by agreement between the parties or in default of agreement to be referred to the Alternative Dispute Resolution

service, PADRE. The costs of such arbitration shall be borne equally by both parties. In following the Appeal procedure the parties shall act in good faith towards each other and shall use their best endeavours to resolve the dispute. VI.4.2) Lodging of appeals (please fill heading VI.4.2 OR if need be, heading VI.4.3) Precise information on deadline(s) for lodging appeals: Following implementation in to English Law of Directive 2007/66/EC ('the Directive'), regulations implementing the Directive and providing for the lodging of appeals shall apply. The Contracting Authority will issue an award decision notice (standstill letter) to tenderers as soon as possible after the award decision has been made. The notice will include the information prescribed by Regulation 32(1) and (2), Public Contracts Regulations 2006 (as amended by the Directive). A similar notice will also be sent to applicants who applied to be included among the tenderers but did not submit an offer, either because they withdrew or were eliminated. In this instance the notice will not include the relative advantages of the successful tender, because the applicant will not have submitted an offer. Applicants who have been eliminated or dropped out at earlier stages of the tender (for example, at pre-qualification questionnaire stage) and have already been informed of the rejection of their application and the reasons for it will not be sent a standstill letter. However, where a decision is taken to exclude an applicant prior to contract award, the applicant will be notified of that decision. In this case the applicant will have two working days from notification of the decision to request additional debriefing and that information will be provided within 10 working days. The Contracting Authority will incorporate a standstill period at the point information on the award of the contract is communicated to tenderers. The standstill period will end at midnight at the end of the tenth day after the date on which the Contracting Authority sends the award decision notice (by fax or email). Where the standstill notice is sent by means other than fax or email, the period will end at the latest by midnight at the end of the 15th day after the sending date (or earlier, if more than 10 days after the date on which the last economic operator received the notice have elapsed). This period will allow unsuccessful tenderers to seek further debriefing from the Contracting Authority before the contract is entered into. Any claim for a declaration of ineffectiveness will need to be brought within either 30 days of the contract award notice (where an OJEU Notice was not published and the Contract Award Notice sets out the justification for not doing so) or otherwise 6 months from the day of contract signature. All claims other than for ineffectiveness must be brought promptly and within 3 months from when the cause of action arises.
