II.1.5. Short description of the contract or purchase(s)

NRK invites you to participate in a restricted tender process and qualify for offering framework agreements for delivery for Cloud services for deploying various NRKs web services. The purpose of this Contract is to establish framework agreements with several providers of Cloud computing services (CCS) to help the NRK to improve the experience for end users in consuming web services. At the same time NRK needs to produce these services as cost effective and professional as possible in today's market. NRK believes that the best way to obtain this is goal by exploring the typical solutions described as "Platform as a Service". The Awarding Authority uses Mercell Sourcing Service in this tender procedure.
