Section VI: Complementary information

VI.3) **Additional information:**

Due to the current Coronavirus (Covid-19) pandemic, the contracting authorities represented in this tender process, as referred to in the contract notice ([2019/S 240-588397](#)) and the ITT documents, are likely to require

a higher volume of supplies on an urgent basis. There was therefore insufficient time to terminate the current tender process and re-run it in accordance with the timescales set out in the Public Contracts Regulations 2015. The National Procurement Service has therefore awarded places on the framework to all bidders who submitted a compliant tender, under the exception permitted in Regulation 32(2)(c) of the Public Contracts Regulations 2015.
