General public services

Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Specialist offshore environmental and decommissioning services.

Reference number: TRN1138/03/2016

II.1.2. Main CPV code

76000000 Services related to the oil and gas industry

II.1.3. Type of contract

Services

II.1.4. Short description

The Department of Energy and Climate Change (DECC) requires the provision of specialised environmental and decommissioning services to support its functions relating to the regulation of offshore oil and gas exploration, production and decommissioning activities, on the UK Continental Shelf (UKCS).

II.1.5. Estimated total value

Value excluding VAT: 1 620 000,00 GBP

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.3. Place of performance

NUTS code: UK United Kingdom

Main site or place of performance: United Kingdom.

II.2.4. Description of the procurement

Description of procurement: The key function will be to provide specialist environmental and decommissioning advice to DECC so that it can effectively fulfil its regulatory remit of ensuring:

- Proper assessment of the environmental impact of oil and gas development activity;
- Optimum economic and environmental consideration of decommissioning proposals.

The programme aims to deliver:

- An improved understanding of the environmental impacts of oil and gas activity and the mitigation measures to be adopted;
- Dissemination of specialist knowledge and best practice in oil and gas operations in the UKCS and other areas of activity;
- A prolonged self-sufficiency in oil and gas, with deferment of abandonment costs, and life extension of facilities and infrastructure;
- Possible reductions in decommissioning costs.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 1 620 000,00 GBP

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 54

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

The budget for this requirement is a 30 month programme and is anticipated to be within the range 750 000 GBP - 900 000 GBP excluding VAT, with 150 000 GBP - 180 000 GBP allocated to fiscal year 2016-2017 and 300 000 GBP-360 000 GBP allocated for fiscal years 2017-2018 and 2018-2019. Total expenditure will depend on the frequency of work requirements, their scope and value.

Subject to securing the necessary funds, there may be the potential to extend the contract under the same terms and conditions, including expenditure estimates, for a period of up to 24 months, subject to the agreement of the appointed contractor. The maximum value of this possible extension for the full 24 months would be 720 000 GBP excluding VAT.
