Contract award notice.

This agreement on cleaning services will meet the award authority's needs for cleaning services at Statens innkrevingsentral in Mo i Rana.

Through the agreement, the supplier shall provide a continuous development of efficient, environmentally friendly, stable and cost effective cleaning services, so that use of resources, cost and quality at all times provide the best overall result.

As well as a good and stable cleaning service, it is required that the supplier safeguards

security. For this reason it is desirable that to the extent possible and appropriate, there are no changes to the supplier's representatives during the assignment.

Award authority wishes to enter into an agreement which ensures compliance and observance of the quality and precision in delivery demanded, which will result in high user satisfaction.

The agreement mainly comprises regular cleaning in accordance with NS-INSTA 800:2010 and specially ordered cleaning. A site inspection will be arranged - see date in the tender documents.
