Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Requirement:

The tenderer must have their affairs in order with respect to the payment of tax, employer contribution and value added tax (VAT).

Documentation requirement:

Tax certificates not older than 6 months calculated from the tender deadline. A Tax Certificate is defined as:

For Norwegian tenderers:

A tax and VAT certificate issued by the tax collection office.

For foreign tenderers:

Foreign tenderers must submit equivalent certificates from their own country that show that they have orderly conditions in relation to the payment of tax and duties. If the authorities in the relevant country do not issue these certificates, the tenderer should submit a statement which states that all taxes and duties have been paid. The statement shall be approved and signed by the tenderer's Financial Director/ person responsible for finance.

Requirement:

The tenderer must be a legally established company.

Documentation requirement:

Norwegian tenderers:

Company Registration Certificate.

Foreign tenderers:

Confirmation that the tenderer is registered in a trade register or company register in accordance with the law in the country where the tenderer is established.

III.2.2. Economic and financial ability

List and brief description of conditions: The tenderer's completed and approved annual accounts for 2014 and 2015, including notes and the board and auditor reports. If a tenderer has a different accounting year, the last two determined annual accounts shall be submitted. The Contracting Authority reserves the right to carry out a credit assessment from Experian. Financial strength is evaluated in relation to turnover, operating profit margin, solidity and liquidity.

Minimum level(s) of standards possibly required: Tenderers shall have sufficient financial strength to comply with the contractual obligations.

III.2.3. Technical and professional ability

List and brief description of conditions:

Tenderers shall give a short description of their company. The description is to include:

Business idea;

Core competence;

History;

Organisation;

Ownership conditions;

Current activities;

Routines and systems for quality assurance.

Description of relevant assignments/customer relationships in the last three years. As a minimum the descriptions ought to include the following information:

Name of the customer and the project/projects.

The contract's/assignment's extent (economic value for the tenderer, possibly extent in hours).

Name and contact information of a reference person.

What tasks the tenderer performed.

Which disciplines the tenderer was responsible for.

Development class

Description of the personnel that the tenderer can use within the disciplines covered by the framework agreement. The description ought, as a minimum, to include the number of employees divided between disciplines, job category, education and number of years relevant experience.

Central certification or a self-declaration on the right to be responsible from the tenderer (written declaration confirming that the tenderer fulfils the described requirement).

Minimum level(s) of standards possibly required:

The tenderer must have adequate implementation ability.

The following also applies for the framework agreement for technical consultancy services except architect services:

Tenderers shall have good experience as a total supplier of technical consultancy services from assignments/customer relationships in the last three years.

Tenderers shall have very good and broad experience from engineering design and consultancy assignments for sports centres in the last three years. 'Broad' experience means that the tenderer must have experience with different types of sports centres, both indoors and outdoors, and experience within the most relevant disciplines.

Tenderers shall have good experience from engineering design and consultancy assignments for teaching buildings in the last three years.

Tenderers shall have good capacity within the disciplines included in the framework agreement.

Tenderers shall fulfil the requirements to declare the right to be responsible for engineering design assignments for development class 3 within the disciplines covered by the framework agreement, see the Building Application Regulations (SAK10) chapters 9, 10, 11 and 13.

For the framework agreement for architect services etc. the following applies:

Tenderers shall have good experience within the disciplines covered by the framework agreement.

Tenderers shall have very good and broad experience from assignments for sports centres. 'Broad' experience means that the tenderer must have experience with different types of sports centres.

Tenderers shall have good experience from assignments for teaching buildings.

Tenderers shall have good capacity within the disciplines included in the framework agreement.

Tenderers shall fulfil the requirements to declare the right to be responsible for assignments as responsible applicant for architectural design for development class 3, see the Building Application Regulation (SAK10) chapter 9, 10, 11 and 13.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Open

IV.1.2. Information about the limits on the number of candidates to be invited

IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue

IV.2. Award criteria

IV.2.1. Award criteria

Lowest price

IV.2.2. Information about electronic auction

An electronic auction will be used: no

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting authority

16/0070

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document

Payable documents: no

IV.3.4. Time limit for receipt of tenders or requests to participate

21.6.2016 - 12:00

IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates
