III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement for organisational and legal standing: the tenderer must be registered in a company register, professional register or a trade register in the state where the tenderer is established.

Documentation requirement:

- Norwegian companies: company registration certificate,
- foreign companies: verification showing that the company is registered in a company register, professional register or a trade register in the state where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement: tenderers must have sufficient economic and financial capacity to fulfil the contract.

Documentation requirement: credit rating from a certified credit rating agency, based on the last fiscal figures.

The key figures in the requirement must be presented together with an assessment of the tenderer's payment experience.

- declaration about the company's turnover during the last 2 fiscal years.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement: delivery capacity

The tenderer must have sufficient capacity and implementation ability.

Documentation requirement: overview of the tenderer's total workforce, as well as an overview of the number of man-labour years, with competence for special/important disciplines for the implementation of this contract.

How the tenderer will safeguard sufficient capacity for this assignment must be explained.

Amongst other things, the tenderer must present a staffing plan for the assignment that shows the number of the tenderer's own employees, hired resources, subcontractors, etc.

Requirement: experience is required from similar assignments.

The tenderer shall have good experience from the execution of equivalent deliveries.

Documentation requirement: a list with an overview of equivalent deliveries in the last 3 years.

The list must as a minimum contain:

- name of client/contracting authority,,
- a brief description of the delivery,
- date for the delivery,
- contract value and scope,
- contact person for the individual delivery, as well as telephone number and email address.

Requirement: quality management — the tenderer must have satisfactory procedures for quality assurance.

Documentation requirement: the documentation shall be given in one of the following ways:

- Alternative 1: description of the company's procedures regarding quality management,
- Alternative 2: if the tenderer has ISO 9001 certification or equivalent standards, it will be satisfactory to present a copy of the valid certificate.
