2.1. Procedure

Title: VÅ-26-01 Fire engines Advanced units - Prequalification

Description: The aim of the procurement is to cover the contracting authority's need for suitable advanced units, in accordance with the attached requirement specifications. There shall be procured identical vehicles, such as advanced units, rigged with high pressure extinguishing installations with foam systems. We have extensive geography and the vehicles will strengthen our stand-by by using fire prevention agencies daily, which is also included in the stand-by force. They can therefore assist with quick first effort in events around the two municipalities.
