Norway – Supply services of personnel including temporary staff – Framework agreement for facilitation of consultancy services within ICT.

OJ S 51/2025 13/03/2025

Contract or concession notice – standard regime

Services

### 1. Buyer

---

#### 1.1. Buyer

Official name: Miljødirektoratet

Email: [Kamilla.Nergard@miljodir.no](mailto:Kamilla.Nergard@miljodir.no)

Legal type of the buyer: Central government authority

Activity of the contracting authority: Environmental protection

### 2. Procedure

---

#### 2.1. Procedure

Title: Framework agreement for facilitation of consultancy services within ICT.

Description: The Norwegian Environment Agency and the Meteorological Institute have seen a strong increase in the need for service procurements in recent years. The Norwegian Environment Agency is located in Trondheim, Oslo and Svolvær. IT in the Norwegian Environment Agency also includes Felles-ikt drift fagområde for riksantikvaren (Oslo), Norsk Polarinstitutt (Tromsø), Kulturminnefondet (Røros), Artsdatabanken (Trondheim) and meteorological institute which has head offices in Oslo, and local offices in Bergen and Tromsø. This includes the procurement of resources from heavier senior professional competence to more simple IT assignments. The extent will vary based on need, and the published estimate is therefore not to be considered as either a lower or upper limit, but only gives an indication of the customer's estimated need. The contract will, however, be terminated and re-announced if the contract amount is exceeded before the contract duration: 2+1+1 years.

Procedure identifier: 57ede8de-74a9-4677-960a-aeae39328dff

Internal identifier: 2025/8936

Type of procedure: Open

Main features of the procedure: See the tender documentation

Estimated value excluding VAT: 100 000 000,00 NOK

### 2.1.4. General information

#### Legal basis:

Directive 2014/24/EU

Procurement Regulations

### 2.1.6. Grounds for exclusion

Participation in a criminal organisation: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted verdict of participation in a criminal organisation by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Participation in a criminal organisation as defined in Article 2 of the Council's framework decision 2008/841/RIA of 24 October 2008 on combating organised crime (EUT L 300 of 11.11.2008, p. 42).

Corruption: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a enforceable verdict has been convicted of corruption by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Corruption as defined in Article 3 of the Convention on Combating Corruption, Involving European Communities or European Union Member States (EUT C 195 of 25.6.1997, s. 1), and in Article 2, point 1, in the Council's framework decision 2003/568/RIA of 22 July 2003 on combating corruption in the private sector (EUT L 192 of 31.7.2003, p. 54). This rejection reason also includes corruption as defined in national law for the contracting authority or supplier.

Fraud: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted of fraud has been convicted of fraud by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Fraud included in Article 1 of the Convention on protection of the Financial Interests of the European Communities (EFT C 316 of 27.11.1995, p. 48).

Terrorist offences or offences linked to terrorist activities: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, af 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

Money laundering or terrorist financing: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of money laundering or financing terrorism by a verdict handed down no more than

five years ago, or a rejection period set out directly in the judgement that still applies? Money laundering or financing terrorism as defined in Article 1 of the European Parliament and Council Directive 2005/60/EF of 26 October 2005 on preventive measures against the use of the financial system for money laundering and financing terrorism (EUT L 309 of 25.11.2005, p. 15).

Child labour and other forms of trafficking in human beings: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of child labour and other forms of human trafficking by a verdict handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies? Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Payment of social security contributions: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Payment of taxes: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Breaching of obligations in the fields of environmental law: Is the tenderer aware of breaches of environmental provisions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Breaching of obligations in the fields of social law: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Breaching of obligations in the fields of labour law: Is the tenderer aware of breaches of provisions on working conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Bankruptcy: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Insolvency: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers is obligatory in accordance with the current national law without the possibility for exceptions.

Arrangement with creditors: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers is obligatory in accordance with the current national law without the possibility for exceptions.

Assets being administered by liquidator: Is the tenderer in a situation where he has his assets managed by a bankruptcy manager or by the court? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions

and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers is obligatory in accordance with the current national law without the possibility for exceptions.

Business activities are suspended: Has the tenderer's business conduct been stopped? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Agreements with other economic operators aimed at distorting competition: Has the tenderer entered into agreement(s) with other tenderers with the intention of turning the competition?

Guilty of grave professional misconduct: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Conflict of interest due to its participation in the procurement procedure: Are tenderers aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Direct or indirect involvement in the preparation of this procurement procedure: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Early termination, damages or other comparable sanctions: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Guilty of misrepresentation, withheld information, unable to provide required documents and obtained confidential information of this procedure: Has the tenderer: a) given grossly incorrect information with the notification of the information required to verify that there is no basis for rejection, or of the qualification requirements being fulfilled, b) failed to provide such information, c) made reservations immediately to present the supporting documents requested by the contracting authority, or d) improperly affected the contracting authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Purely national exclusion grounds: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents.

Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons. Will the purely national rejection reasons, as stated in the relevant notice or in the procurement documents, apply?
