II.1.4. Information about framework agreement

Framework agreement with a single operator

Duration of the framework agreement

Duration in years: 3

Estimated total value of purchases for the entire duration of the framework agreement

Estimated value excluding VAT: 975 000 GBP

II.1.5. Short description of the contract or purchase(s)

The framework agreement is for the supply and delivery of a full range of vehicle component parts to the Participating Authorities, as listed, as and when required throughout the period 1.12.2012 until 30.11.2015. The requirement will cover at least 26 component part types for approximately 12 vehicle manufacturers encompassing approximately 26 vehicle models based on the current fleet in operation across Participating Authorities. The vehicle types and therefore the stocked range of parts may change throughout the period of the framework agreement depending on future Police vehicle purchases.

Component Parts supplied must be 'original spare parts' or 'spare parts of matching quality' as defined in Article 1, paragraphs 1 (t) and 1 (u) respectively, of the Block Exemption Regulation (EC) 1400/2002 or equivalent. Component parts must be supplied with the manufacturer's certification of specification to original equipment (OE) standard. Component parts when fitted must not impact on any vehicle warranty claims as depicted by the vehicle manufacturer.

The Contractor will be required to hold a level of stock to ensure compliance with the delivery requirements to each Participating Authority i.e. within 24 hours. The Contractor will also be required to provide imprest stock to be held by a Participating Authority to be used as required. The Contractor is required to provide an appropriate secure electronic system for the transfer of all relevant information between the Contractor and a Participating Authority. This system as a minimum should allow a Participating Authority to:

1. Check availability of stocked parts and non-stock parts, place orders for stocked parts,

requests for imprest stock (initial or replacement) and request quotations for non-stock parts;

2. Receive quotations;
3. Authorise quotations into orders, authorise orders and provide purchase order numbers;
4. Monitor the status of any order/request; and
5. Provide access to authorised users with unique user names and configurable passwords.

All goods supplied to a Participating Authority utilising the framework agreement (including those purchased from imprest) must have a manufacturer's warranty for a minimum of 12 months (from date of purchase) or 12 000 miles whichever is the sooner.

Estimated timing for further notices to be published: Further notices will be published in approximately 3 years.

VI.2. Information about European Union funds

VI.3. Additional information

This framework agreement shall be governed by the Law of Scotland.

No liability/responsibility will lie with Strathclyde Joint Police Board, as Awarding Authority, in respect of orders or purchases made by another Participating Authority.

Candidates should note that a detailed finance check will be carried out by the Director of Finance and Resources, or his authorised representative, to validate the Candidate's financial status. The Authority may seek independent financial advice to assist with the validation of the information declared by Candidates.

Electronic copies (e-mail, disc, etc) of the Framework ITT documentation will not be available. Tenderers are asked to note draft legislation (The Police and Fire Reform (Scotland) Bill) is currently before the Scottish Parliament that is intended to create a Police Service of Scotland and a single Scottish Police Authority which will replace the current 8 Police Forces and

Authorities and the Scottish Police Services Authority. The current timescale for the establishment of the new Force and Authority is 1.4.2013. As currently drafted the legislation anticipates that any rights or obligations which an existing Police Authority has or may have under a contractual arrangement or other agreement will transfer to the Scottish Police Authority.

For the avoidance of doubt, the date stated at IV.3.4 is the time-limit for receipt of tenders. (SC Ref:194252).

VI.4. Procedures for review

VI.4.1. Review body

VI.4.2. Review procedure

Precise information on deadline(s) for review procedures: The Contracting Authority will issue to all tenderers by electronic means a formal award decision notification. The notification will give reasons for the award decision and provide details of the standstill period during which period the Contracting Authority will refrain from awarding any contract, which period shall not be less than ten clear days from the date of the issue of the notification. If proceedings are served on the Contracting Authority in relation to a contract that has not yet been entered into, the procurement process will be automatically suspended. The Public Contracts (Scotland) Regulations 2012 provide for aggrieved parties to take action in the Sheriff Court or Court of Session. Any proceedings brought under the Regulations (other than proceedings seeking an ineffectiveness order) must be brought within thirty days of the date on which the unsuccessful party knew, or ought to have known, that grounds for starting the proceedings had arisen unless the Court considers that there is a good reason for extending the period within which proceedings may be brought, in which case the Court may extend that period up to a maximum of three months from that date. Any proceedings seeking an ineffectiveness order must be brought within thirty days of the relevant date under Regulation 47 (8) of the Public Contracts (Scotland) Regulations 2012, or, if neither of the circumstances in Regulation 47 (8) apply, within six months of the date the contract was entered into.

VI.4.3. Service from which information about the review procedure may be obtained

VI.5. Date of dispatch of this notice

23.5.2012
