5.1.9. Selection criteria

Sources of selection criteria: Notice

Criterion: Other economic or financial requirements

Description of selection criterion: Payment of tax, VAT and other public duties: This requirement only applies to Norwegian tenderers. Requirements: Tenderers must have their tax, payroll tax and VAT payments in order in accordance with the legal provisions and the tenderer must not have significant arrears. Any arrears or other irregularities must be justified. Documentation requirement: Tenderers shall document the requirement through the certificate "Information on tax and duties". The certificate shall be of the type "RF-1507" and not "RF-1316". Tenderers can order such a certificate from the Norwegian Tax Administration on behalf of their activities. Tenderers are asked to enclose the certificate in the tender or submit it on request. The tax certificate must not be older than six months calculated from the deadline for submitting a request for participation in the competition. Read about the certificate here: <https://www.skatteetaten.no/skjema/opplysninger-om-skatt-og-avgift/>

Criterion: Other economic or financial requirements

Description of selection criterion: Credit rating. Requirements: Tenderers must have the financial capacity to execute the contract. The tenderer is required to be credit worthy, minimum A, in accordance with Dun & Bradstreet's service riskguardian suite (<https://riskguardian.bisnode.no>), or have the financial capacity to execute the contract based on the contracting authority's discretion. Documentation requirement: The Contracting Authority will carry out their own assessment of the supplier's finances through RiskGuardian Suite. Tenderers can enclose other necessary information if they believe that RiskGuardian Suite does not provide a correct picture of the financial situation. The RiskGuardian Suite service includes all Nordic countries. As a general rule, the Contracting Authority will not accept credit ratings from other company and accounting information systems than RiskGuardian Suite due to equal treatment of the tenderers. Foreign tenderers outside the Nordic countries will, however, use and accept credit appraisal through Dun & Bradstreet's service Credit (<https://credit.dnb.com/>). Tenderers that the contracting authority cannot find a RiskGuardian Suite (or Credit for suppliers outside the Nordic countries), e.g. newly established tenderers who have not built up a basis for a credit rating, must enclose a declaration/guarantee from a parent company/owner/bank or similar financing institutions, regarding the company's financial and economic position.

Criterion: References on specified deliveries

Description of selection criterion: Requirements: The tenderer, or employees at the tenderer are required to have experience from at least two (2) similar assignments during the last five years. Similar assignments means consultancy services and engineering design services within roads and water and sewage with a value of minimum NOK 1,000,000 excluding VAT per assignment. Tenderers or employees at the tenderer are required to have experience from at least one (1) similar assignment in the last 3 years. Similar assignments means consultancy services and any engineering design within electro, ground conditions, environment, landscape, planning and constructions with a value of minimum NOK 200,000 excluding VAT per assignment. Documentation requirement: Complete the annex "The Tenderer's experience" or other document with equivalent information. If another document is used, the response shall be maximum two A4 pages. The response shall not include a cover page or table of contents. Any pages after page 2 will not be considered. Any links etc. in the reply will not be considered.

5.1.10. Award criteria

Criterion:

Type: Price

Name: Price

Description: The total price in the price form will form the basis of the evaluation.

Category of award weight criterion: Weight (percentage, exact)

Award criterion number: 30

Criterion:

Type: Quality

Name: Competence and experience

Description: The contracting authority will evaluate the following under the award criteria "Competence and experience": 1. The offered key personnel' relevant formal competence and experience from previous assignments. Competence will be emphasised against the estimated time distribution in the price form and assessed on the basis of the total professional composition in relation to the assignment's needs. The contracting authority can emphasise higher resources with recent experience from equivalent assignments carried out in the last three years. Documentation for point 1: Annex 3 - CV for key personnel Tenderers shall submit CVs in accordance with Annex 3 for the following roles: - Technical Manager Road - Engineering Design Road - Engineering Manager Water and Sewage - Engineering Water and Sewage - Assignment Manager Each CV shall not exceed seven sides per resource. 2. The tenderer's organisation of the project: The tenderer shall submit an organisation chart for the project, both for the preliminary project and the detailed engineering design. The map shall be

followed by an explanation of how the team's composition covers the contracting authority's needs. The contracting authority will, among other things, emphasise whether the tenderer has an organisation that is adapted to the project and how the team's composition covers the needs of the Contracting Authority. Documentation for point 2: Tenderers shall submit an organisation chart with an overview of how the tenderer will organise themselves in the project. Furthermore, the tenderer shall explain/reason the team's composition. 'The team's composition' means the composition of the offered key personnel under the award criteria 'Competence and experience' point 1. Point 2 shall be documented by a supplementary form of Annex 4 - Competence and experience. The response to the point should be at maximum two A4 pages altogether (font size 10 or greater). Anything beyond two pages will not be evaluated. The organisation chart is in addition to the page number limitation.

Category of award weight criterion: Weight (percentage, exact)

Award criterion number: 40

Criterion:

Type: Quality

Name: Assignment comprehension

Description: The assignment comprehension shall show how the tenderer intends to solve both the Preliminary project and the detailed engineering design. Most of the assignment comprehension shall be on the execution of Roads and W&S. This ought, among other things, to include: • planned use of resources; • challenges and proposed solutions; • risk relationships and success factors; • communication and interaction with the contracting authority; • prerequisites connected to the contracting authority's involvement; • Implementation of documentation and reporting, including the type of documentation and expected final delivery; • Progress plan with milestones. Emphasis will be put on whether the plan is realistic and thoughtful. The tenderer shall submit the following: Documentation: The tenderer's response to this point shall be documented by completing Annex 5 - Assignment Comprehension. The response shall have a maximum extent of five A4 pages (font size 10 or greater). Content beyond this will not be evaluated. The document shall also include a general and roughly estimated progress plan for the execution of the preliminary project as well as the preparation of detailed engineering design services and tender documentation, with stated milestones. The progress plan is in addition to the page number limitation mentioned above.
