1. Buyer

1.1. Buyer

Official name: Technological University Dublin (TU Dublin)

Email: orlaith.mcevoy@dublin.ie

Legal type of the buyer: Body governed by public law, controlled by a central government authority

Activity of the contracting authority: Education

2. Procedure

2.1. Procedure

Title: Establishment of Consultant Panel for Enhancing Processes, Systems, Teams, and Structures under title III services for Technological University Dublin at Technological University Dublin

Description: Establishment of Consultant Panel for Enhancing Processes, Systems, Teams, and Structures under title III services for Technological University Dublin at Technological University Dublin • Lot 1 Executive Structures and Processes enhancement Enhancing executive structures and processes which may involve refining leadership systems, decision-making, and communication channels to improve effectiveness and drive success. • Lot 2 Annual business planning systems and processes A framework for decision-making and ensures alignment between organizational strategy and day-to-day operations. • Lot 3 Business process review and enhancement Business Process Review and Enhancement refers to the systematic evaluation of an organization's current processes with the goal of identifying inefficiencies, bottlenecks, and areas for improvement. This process involves analysing how work is done within an organization, identifying opportunities for optimization, and implementing changes to make processes more effective, efficient, and aligned with organizational goals. • Lot 4 External communications and reputation management Relates the way TU Dublin communicates with external stakeholders' customers, stakeholders, the media, the public, and other organization. Reputation management involves the strategies and practices used to shape and maintain TU Dublin's public image and address potential threats to its reputation. It's about ensuring the company is seen positively and addressing any negative publicity or issues that arise
