OJ S 99/2012 25/05/2012
Contract notice – utilities
Services

Directive 2004/17/EC

Section I: Contracting entity

I.1. Name and addresses

Official name: Chevron North Sea Limited
Postal address: Hill of Rubislaw
Town: Aberdeen
Postal code: AB15 6XL
Country: United Kingdom
Contact person: Chris Knapper
E-mail: chris.knapper@chevron.com

Additional information can be obtained from:
the abovementioned address

Specifications and additional documents (including documents for a dynamic purchasing system) can be obtained from: the abovementioned address

Tenders or requests to participate must be submitted: the abovementioned address

I.2. Main activity

Extraction of gas and oil

I.3. Contract award on behalf of other contracting entities

The contracting entity is purchasing on behalf of other contracting entities: no

Section II: Object of the contract

II.1. Description

II.1.1. Title attributed to the contract by the contracting entity

Framework Agreement for Biostratigraphy in Romania and Bulgaria.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 12: Architectural services; engineering services and integrated engineering services; urban planning and landscape engineering services; related scientific and technical consulting services; technical testing and analysis services

Main site or place of performance: Romania and Bulgaria.

NUTS code

II.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

II.1.4. Information about framework agreement

Framework agreement with several operators

Maximum number Envisaged maximum number of participants to the framework agreement
: 5

Duration of the framework agreement

Duration in months: 3

II.1.5. Short description of the contract or purchase(s)

The contract is a non-exclusive framework agreement with economic operator(s) to provide Biostratigraphy services to Chevron Romania Exploration and Production S.R.L. and affiliated companies, including but not limited to Chevron Bulgaria Exploration and Production EOOD (hereinafter referred to as "company") for land-based exploration and production activities in Europe.

Company's preferred outcome would be to award framework agreement(s) to economic operator(s) who are capable of delivering the required services.

Call-offs against the framework will be issued to the provider with the most economically advantageous framework agreement and company will use the same award criteria as stated in the framework agreement invitation to tender.

Only when the terms laid down in the framework agreement are not complete enough for a particular call-off, will company hold a mini competition with all the providers awarded a framework agreement and capable of meeting the particular need against the terms and conditions of the framework agreement. Company will only consider economic operators with the technical ability and demonstrated experience necessary to service Biostratigraphy operations in Central/Eastern Europe and to perform laboratory analysis.

II.1.6. CPV code(s)

76510000 Onshore services

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

II.1.8. Information about lots

This contract is divided into lots: no

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

- Provision of senior biostratigrapher with experience in the Silurian/Ordovician of Europe;
- Provision of senior technician;
- Pre-spud and post-well meetings with COMPANY'S personnel;
- Biostratigraphic zonation of subject wells palynology, micropalaeontology and nanopalynology using existing schemes;
- Palynology sample analysis – sample preparation and full quantitative analysis of dinoflagellate cysts, acritarchs, algae, spores and pollen;
- Palynofacies over specified intervals;
- Micropalaeontology sample analysis – sample preparation and full quantitative analysis of foraminifera, ostracods, radiolarian, diatoms and graptolites;
- Nannopalaeontology sample analysis – sample preparation and full quantitative analysis of nannofossils;
- Provision of onshore/wellsite micropalaeontology services including daily reporting of biostratigraphy from onshore;
- Provision of onshore/wellsite acid-free palynology services including daily reporting of biostratigraphy from onshore;
- Qualitative estimate of maturation from palynological samples;

— Generation of final well reports with summary log and faunal lists/distribution charts for each well, including any pilot holes and sidetracks.

The Company shall provide a composite disc of the relevant wireline or LWD log data to form the basis of the charts and summary log. Draft copies of all reports shall be submitted to the COMPANY for final approval. Biostratigraphic report to include:

— A fully illustrated report providing integrated results and discussion of chrono and lithostratigraphy, palaeoenvironment and other bio events.

— Illustrated stratigraphic schemes, taxonomic data sheets, stratigraphic summary logs and correlation panels.

— Hot shot analysis, both micropalaeontological and palynological.

— Biostratigraphic studies and associated reporting for licence agreement projects.

II.2.2. Information about options

Options: yes

Description of options: Two one year options to extend.

II.2.3. Information about renewals

This contract is subject to renewal: no

II.3. Duration of the contract or time limit for completion

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Pre-qualification questionnaire and subsequent follow-up checks will be issued to ascertain economic operators' capability in the following areas:

— Legal status and compliance to all appropriate regulations,

— Health, safety and environmental.

III.2.2. Economic and financial ability

List and brief description of conditions: As per III.2.1 above, economic operators will be required to supply requested financial information through a pre-qualification questionnaire.

III.2.3. Technical and professional ability

List and brief description of conditions: As per description of services in II.2.1.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Negotiated

Some candidates have already been selected (if appropriate under certain types of negotiated procedures): no

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of the criteria stated in the specifications or in the invitation to tender or to negotiate

IV.2.2. Information about electronic auction

An electronic auction will be used: no

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting entity

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents

(except for a DPS)

Payable documents: no

IV.3.4. Time limit for receipt of tenders or requests to participate

7.6.2012 - 13:00

IV.3.5. Languages in which tenders or requests to participate may be submitted

Any EU official language

IV.3.6. Minimum time frame during which the tenderer must maintain the tender

IV.3.7. Conditions for opening of tenders

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

VI.3. Additional information

VI.4. Procedures for review

VI.4.1. Review body

VI.4.2. Review procedure

VI.4.3. Service from which information about the review procedure may be obtained

VI.5. Date of dispatch of this notice

22.5.2012
