Additional Information

N.B. Framework value of GBP 8 000 000 reflects the duration plus all actionable extensions (which are at sole discretion of the Authority) e.g. 2 years +12 months + 12 months  
The Authority intends that a single Framework Participant per lot will be awarded to the Framework Agreement ('Framework Participant') (subject to submission of admissible Tenders as determined in accordance with the provisions of the ITT). The Framework Agreement is to be available to all entities constituted pursuant to the National Health Service (Scotland) Act 1978, (i.e. all NHS Scotland Health Boards, Special Health Boards and the Authority or other NHS organisations).

This tender will be carried out using Public Contracts Scotland – Tender eSourcing portal. The site requires you to register to obtain the tender documentation. The portal website address is:

### **VI.4. Procedures for review**

#### **VI.4.1. Review body**

#### **VI.4.2. Review procedure**

Precise information on deadline(s) for review procedures: Precise information on deadline(s) for lodging appeals: The Authority will notify economic operators who submitted a tender or (where no deselection notification has previously been made) applied to be selected tenderer, of its decision to award the framework agreement which notification will contain among other information, a summary of the reasons why the economic operator was unsuccessful. The notification will incorporate a 'standstill period' of a minimum of 10 clear calendar days (or a minimum of 15 if the communication method used is not electronic) between the date on which the Authority despatches the notice(s) and the date on which the Authority proposes to conclude the relevant framework agreement. The bringing of court proceedings against the Authority during the standstill period will automatically continue the prohibition on entering into the framework agreement until the court proceedings are determined, discontinued or disposed of, or the court, by interim order, brings to an end the prohibition. The remedies that may be awarded by the courts before the framework agreement has been entered into include the setting aside of the decision to award the framework agreement to the winning tenderer(s). The bringing of court proceedings against the Authority after the framework agreement has been entered into will not affect the framework agreement unless grounds for the imposition of special penalties under the Public Contracts (Scotland) Regulations 2012 can be established. Otherwise the remedies that may be awarded by the courts where the framework agreement has been entered into are limited to the award of damages. Economic operators are entitled to write to the Authority after receipt of the notification should they require further clarification. The Authority will respond within 15 days of such a written request, but it should be noted that receipt by the Authority of such request during the standstill period may not prevent the Authority from awarding the framework agreement following the expiry of the standstill period. Where an economic operator is dissatisfied with the Authority's response to its request for clarification, or considers that the framework agreement has been concluded in breach of The Public Contracts (Scotland) Regulations 2012, such economic operator is advised to promptly seek independent legal advice.
