Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

See the full tender notice published on the site www.carabinieri.it, in the section “amministrazione trasparente” subsection “bandi di gara e contratti”, all’URL <http://www.carabinieri.it/cittadino/informazioni/gare-appalto/gare-appalto/procedura-ristretta-per-la-conclusione-di-un-accordo-quadro-per-il-servizio-di-vettovagliamento>.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Each competing company (even if auxiliary or principal) must produce, together with the application form, 2 suitable bank statements.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Economic operators, including merged ones, retisti and/or consortium members or auxiliaries, in possession of the service phases specified in para. II.1.5), to be considered all essential, are allowed to participate. To this end, each competitor must produce the following documents:

(a) declaration, signed by the legal representative, certifying the list of all the collective catering services provided and invoiced to private individuals, organizations or public administrations in the years 2015-2017 differentiated by year and indicating the dates and numbers of the relative contracts, beneficiaries (public or private), amounts invoiced (VAT excluded). In the case of RTI it is necessary to specify the phase/part/quota performed by the single economic operator in the same supply. Each economic operator must possess an annual average of specific turnover for similar collective catering services equal to at least 1,5 times the annual value of the lot (excluding VAT) for which one is requested to participate, taking into account:

- the extent, complexity, specificity of the contract and the necessary experience and reliability that economic operators who intend to take part in the tender must possess, without prejudice to the fact that, in the case of RTI, it is necessary to specify the phase / part /quota performed by the single economic operator in the similar supply,
- that the tender relates to a first negotiating act with the possibility of any further annual negotiation, up to the following 3-year period,
- of the objective complexity of the service to be performed at military structures, even minor ones, widespread throughout the national territory.

The requirement must be met by:

- R.T.I. or by the consortium as a whole, in the event of participation in R.T.I. or ordinary Consortium of competitors pursuant to art. 45, paragraph 2, lett. e) of Legislative Decree No 50 /2016. It is understood that each member of the R.T.I. or the ordinary consortium must, however, make the declaration referred to in D.G.U.E. in relation to its turnover,
- consortium or, where indicated, by consortium companies indicated as executives, in the case of consortia as per art. 45, paragraph 2, lett. b) and c) of Legislative Decree No 50/2016. In the case of a grouping, this requirement must be possessed by the agent company in a majority way.

The competitor who intends to participate in more lots must possess the requested economic requirement calculated on the lot of a higher amount among those of interest.

(b) self-certification, signed by the legal representative, certifying compliance with the UNI EN ISO 9001-2015 standards, currently valid, issued by ACCREDIA accredited body or another institution in mutual recognition, related to the accreditation sector for each essential phase, entrusted to the single economic operator;

(c) self-certification, signed by the legal representative, certifying the possession of the EMAS certification (Regulation No 1221/2009 on voluntary participation by organizations in a community eco-management and audit system) or ISO 14001, currently valid, issued by an

ACCREDIA accredited body or another institution in mutual recognition, for each essential phase;

(d) self-certification, signed by the legal representative, certifying the possession of the certification, valid and issued by an accredited certification body, certifying the adoption of food safety management systems in compliance with the ISO 22000 standards (referring only to the purchase of foodstuffs, of the raw materials, semi-finished and non-food products needed, supplying the canteens concerned, as well as the planning, production and distribution of meals with the client's equipment).
