Section II: Object of the contract

II.1. Description

II.1.1. Title attributed to the contract by the contracting authority

Floating Barrier for Harbor Protection

II.1.2. Type of contract and place of performance or delivery

Supplies

Purchase

Main site or place of performance: Den Helder, The NETHERLANDS.

II.1.3. Information about framework agreement

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

This tender comprises the delivery and installation of a floating barrier for protecting the naval harbor in Den Helder, the Netherlands, preventing the entry of unwanted vessels. The barrier should stop all types of vessels, regardless the propulsion. The barrier will be permanent in nature, but it must be possible to open and close the barrier in an easy and safe way, for passing naval and other ships. The total length of the barrier is approx. 1 200 meters. The barrier has to be environmentally friendly and as silent as possible, above as well as under water. The installation of the barrier, using existing infrastructures, is part of the scope of supply. In the award phase a site visit will be possible, to view the location where the barrier is to be installed.

II.1.6. CPV code(s)

45244100 Marine installations, 34931000 Harbour equipment

II.1.7. Information about subcontracting

The tenderer has to indicate in the tender any share of the contract it may intend to subcontract to third parties and any proposed subcontractor, as well as the subject-matter of the subcontracts for which they are proposed

II.1.8. Lots

This contract is divided into lots: no

II.1.9. Information about variants

Variants will be accepted: yes

II.2. Scope of the procurement

II.2.1. Total quantity or scope

One (1) barrier of approx. 1 200 meters for closing off the harbor.

II.2.2. Information about options

Options: no

II.2.3. Information about renewals

This contract is subject to renewal: no

II.3. Duration of the contract or time limit for completion

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them
