no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers are required to be a legally established company.

Tenderers must document registration in a business or industry register under national law (Company Certificate or equivalent)

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have a satisfactory economic/financial position.

Tenderers must attach a credit rating (not older than 6 months) issued by a publicly approved credit rating company documenting financial solvency, or, if applicable, the tenderer's annual accounts with an auditor's report for the last fiscal year

Minimum level(s) of standards possibly required:

Arva must be confident that the bidder has the economic/financial capacity to fulfil the contractual obligations. This means a credit rating with the conclusion of "satisfactory" or better, or possibly accounting figures that show:

- Liquidity ratio 1 greater than or equal to 1.0
- Solvency (Equity) of 10% or greater

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have (documented) experience from equivalent/similar deliveries.

Minimum level(s) of standards possibly required:

Here, relevant experience is: Framework agreements or other agreements relevant to the power grid industry and that cover one or more of the disciplines included in the procurement.
