Section II: Object

II.1. Scope of the procurement

II.1.1. Title

15/4616 Technical sight aids.

II.1.2. Main CPV code

33196200 Devices for the disabled

II.1.3. Type of contract

Supplies

II.1.4. Short description

The aim of the procurement is to enter into framework agreements with a supplier for technical sight aids so that users are ensured access to suitable aids in accordance with the National Insurance Act. The products shall cover the majority of the needs for the user group in question.

The procurement shall be carried out in accordance with the law and regulations with an emphasis on ensuring value creation. Purpose efficient procurements shall ensure that users and NAV have access to the correct products with the right quality. The procurement process shall be as efficient as possible for NAV and the suppliers. The price efficiency shall be taken care of by NAV ensuring an advantageous relationship as possible between price and quality. The procurement shall focus on a dialogue with the suppliers where possible, environment, ethical trade and innovation and follow ethical guidelines.
