II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

If there is a need to review other themes/problems that are connected to the evaluation assignment, but which cannot be seen to be covered by the contract (requirement specifications and tender), the Directorate of Health shall have an option for them. The same applies to adjoining projects. This work shall, in applicable, be agreed in writing and carried out at the agreed hourly rates.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the state where the tenderer is established.

The requirement shall be documented as follows:

- Norwegian companies: company registration certificate,
- foreign companies: verification showing that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Sufficient economic and financial capacity to be able to fulfil the contract.

Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

This shall be documented with a credit rating based on the last known fiscal figures.

The rating must be carried out by a credit rating company with a licence to conduct this service.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have experience from comparable assignments.

The tenderer must describe up to three (3) of their most relevant projects delivered over the past three (3) years. The description must include a statement of the assignment's value, date and recipient (name, telephone number and email address.) It is the tenderer's responsibility to document relevance through the description. Tenderers can document experience by referring to competence in the personnel they have at their disposal and can use for this assignment, even if the experience was gained whilst the personnel carried out the service for another supplier.

Section IV: Procedure
