Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the state where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contract. Tenderers must as a minimum achieve a rating of 'Credit worthy', i.e. the tenderer must be in risk classification 5 or higher on the Experian scale.

Minimum level(s) of standards possibly required:

As documentation the contracting authority will obtain the credit evaluation Commercial Delphi Score from Experian (The contracting authority subscribes to services from Experian).

Tenderers are expected to have familiarised himself with registered information about the company and by submission of the tender accepts that the information will be obtained and form the basis of the assessment of the tenderer's economic situation.

Tenderers can attach a credit rating from a certified credit rating company showing that the tenderer fulfils the requirement. The credit assessment must be based on the last available accounting figures.

If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the tenderer can prove his economic and financial position with any other document that the contracting authority deems suitable.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have experience from at least two relevant assignments for the supply of goods as described in this document, as regards the scope and complexity.

Minimum level(s) of standards possibly required:

Documentation requirement: tenderers must attach a list of the most important relevant assignments the last 3 (three) years. The list must include a statement of the deliveries' value, dates and recipients (name, telephone number and e-mail address). It is the tenderer's responsibility to document relevance through the description. The references will only be contacted if required.

Tenderers can document experience by referring to the competence of the personnel that he can use for this assignment, including experience that has been acquired while the personnel carried out services for another service provider.

III.2. Conditions related to the contract

III.2.2. Contract performance conditions

Given in the tender documentation and annexes thereof.
