Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Framework Agreement — Technical Consultancy Services for Kvam herad

Reference number: 2021/1072

II.1.2. Main CPV code

71240000 Architectural, engineering and planning services

II.1.3. Type of contract

Services

II.1.4. Short description

Kvam herad would like to enter into framework agreements for technical consultancy services. One of the objectives of the framework agreements is ensuring increased efficiency for the procurement processes. The objective of the framework agreements is also ensuring stable and predictable frames for Kvam herad and the service providers.

The framework agreements shall cover the majority of the contracting authority's requirements for the services included in the tender contest. Kvam herad has the right, but is not obliged to use the framework agreements. Some of the tasks can be solved by internal capacity, or in collaboration with other municipalities. Large/special projects can be published as new tender contests.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

71210000 Advisory architectural services, 71322200 Pipeline-design services, 71800000 Consulting services for water-supply and waste consultancy, 71540000 Construction management services, 71541000 Construction project management services, 71315000 Building services, 71315210 Building services consultancy services, 71317100 Fire and explosion protection and control consultancy services, 71321000 Engineering design services for mechanical and electrical installations for buildings, 71321200 Heating-system design services, 71313000 Environmental engineering consultancy services

II.2.3. Place of performance

NUTS code: NO0A2 Vestland

II.2.4. Description of the procurement

The total value of these services varies, however, based on experience and expectations, the annual value is approx. NOK 2-4 million. This means that the total value of the framework agreements can be approx. NOK 8-16 million.

The contract period can include everything from short-term assignments to long-term assignments. Framework agreements established via this tender contest can be utilised by all departments and units in Kvam municipality. All municipal enterprises will also be parties to the framework agreements.

The contract period will be 2 years. The expected start-up date for the contract is 15 June 2021. The contracting authority has an option to extend the contract on the same terms for 2 years-1 year at a time — so that the total possible length of the contract is 4 years.

The option will be automatically taken up on the contact date. If the contracting authority does not want to use its right to extend the contract, written notification of this must be given to the tenderers 3 months before the contract date.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 15/06/2021 End: 14/06/2023

This contract is subject to renewal: yes
